This solicitation amendment is raised in order to change the on-going qualification clause.

Please delete in its entirety:

6.7 On-going Opportunity for Qualification

A Notice will be posted once a year on the Government Electronic Tendering Service (GETS) to allow new Suppliers to become qualified. Existing qualified Suppliers, who have been issued a supply arrangement, will not be required to submit a new arrangement.

Please insert:

6.7 On-going Opportunity for Qualification

A Request for Supply Arrangements (RFSA) has been issued in accordance with the process set out below to allow new suppliers to become qualified. Existing Qualified Active Suppliers, who have been issued a supply arrangement, will not be required to submit a new arrangement.

Permanent Notice:

A permanent notice is posted on the GETS for the duration of the Supply Arrangement Period describing this procurement vehicle, which invites additional suppliers to submit proposals to become Suppliers and to be awarded SAs for the provision of Services.

New Suppliers:

Throughout the Supply Arrangement Period, new suppliers may submit arrangements to become Qualified Active Suppliers. No existing Qualified Active Supplier will be removed from the qualified supplier list because of the addition of new Qualified Active Suppliers

Number of Supply Arrangements:

The Supplier acknowledges that Canada may issue an unlimited number of Supply Arrangements and may continue to issue Supply Arrangements to suppliers throughout the Supply Arrangement Period.

Evolving Requirement:

PWGSC may during any Revision process add new and (or) remove and (or) modify existing Workstreams.

Failure to Qualify:

PWGSC will notify all suppliers that fail to qualify and identify the reason their arrangement has been non-compliant.

During the 6 months following notice to a supplier of its failure to qualify, that supplier may submit additional documentation supporting its qualification. Provided the Supplier advises PWGSC, within such period, that it considers its arrangement complete, PWGSC will then, subject to Canada's right to conduct evaluations in cycles, re-evaluation the updated arrangement.
