REVISION 004

This Revision answers questions and extends the solicitation closing date.

The new solicitation closing date is **June 27, 2018 at 2 PM MDT.**

A. Questions & Answers

- Q21.** Part II. Of Appendix C – Is this section to be used to list any sub-consultants that are part of the 9 Key Personnel?
A21. Yes.
- Q22.** Please confirm that Appendix B is not to be submitted as part of the RFSO proposal.
A22. Correct.
- Q23.** Should the Price proposal from be submitted as a hard copy and digitally?
A23. Hard copy in a sealed envelope only.
- Q24.** SRE 3.2.1.2 a) – Are you simply looking for list of all of the Services we can provide here?
A24. Yes. Provide a detailed list of all services you can provide in relation to this RFSO.
- Q25.** I noticed that the email address provided for you on the cover of the RFP is an outlook address. Is this an error?
A25. This is an error. The correct email address is Nathaniel.harrison@pc.gc.ca. This is reflected properly in all other parts of the RFSO and resulting amendments.
- Q26.** We would like to request a two week extension to the above noted opportunity.
A26. We grant a one-week extension.
- Q27.** Please clarify the requirements for the Senior Enviro Scientists specialized in Chemistry. Is it permissible to show a scientist experienced in interpreting chemical field data or is a certified chemist required?
A27. Certified chemist or scientist with appropriate experience.
- Q28.** Could the Senior Geologist role include Hydrogeologists?
A28. Yes.
- Q29.** Is the Senior Civil Engineer – Environmental a Senior Engineer with the Environmental Assessment and Remediation experience?
A29. Senior Engineer can include a degree in civil engineering or other engineering degree with appropriate experience in the environmental field, including environmental assessment and remediation.
- Q30.** The hourly rates of the main risk assessor as well as the main geotechnical engineer must be included in which item (s) of the schedule?
A30. In Appendix D – Price Proposal Form, risk assessors can be included in the environmental scientists category of personnel and the geotechnical engineers in the engineer category of personnel.
- Q31.** In article SRE 3 - 3.2.2 Teamwork / Service Management Method, there is a reference to the availability of surrogates. Do we need to understand that we need to present a substitute resource for each of the key positions? If so, can a key resource be found at 2 locations in the organization chart?

- A31.** You need to present a substitute resource for key positions whenever possible within your organization. A key resource can be found at 2 locations in the organization chart.
- Q32.** In article SRE 3 - 3.2.2 Teamwork / Service Management Method, there is a reference to the availability of surrogates. Do we need to understand that we need to present a substitute resource for each of the key positions? If so, can a key resource be found at 2 locations in the organization chart?
- A32.** You need to present a substitute resource for key positions whenever possible within your organization. A key resource can be found at 2 locations in the organization chart.
- Q33.** Can you define the notion of intermediate and junior resource in terms of years of experience?
- A33.** Junior personnel means 3 years of experience or less; intermediate personnel means between 4 and 9 years of experience; senior personnel means 10 years of experience or more.

All other terms and conditions remain the same.
