**SOLICITATION AMENDMENT # 004**

The purpose of this amendment is to:

1) Answer Bidder Questions

---

**1) Respond Bidder Question:**

Question 9: I am writing in regards to the above noted solicitation. Given the # of land claims associated with this tender, is there an aboriginal set aside option?\

**Answer 9: No, this solicitation was not posted with the intent of establishing a Set-Aside procurement process and as such the aboriginal set aside options in solicitation R000022831/A are limited to the Benefits Plan. Under 3.5 Section IV of the Satellite Space Segment Capacity Service/Teleport Services and associated service for Remote site Stream 1, 2, and 3 of this Request for Proposal (RFP), there are Aboriginal Benefit Plans required as part of the bidder submissions, which takes into consideration the potential for maximum 10 points out of the total of 100 for the evaluation. This being said bidders are encourage to engage in partnerships with ABO designated partners for the purpose of delivering said goods and services within established Land Claims Areas!**

**ALL OTHER INFORMATION RELATED TO THIS SOLICITATION,  
REMAINS UNCHANGED**
