1. **QUESTION 1**

I understand that artwork is being delivered and then hung by an art technician. Is the furniture being delivered as well to our warehouse? Are we then delivering it to 237 Park and helping the furniture company install? Or rather are we showing up on site to help the furniture installers remove packaging, helping installation and disposing of packaging? Please advise.

**ANSWER**

Please refer to the standing offer agreement. It contains the scope of work which includes tentative schedules outlining dates, locations, deliveries, and activities.
