1.2 Summary

- 1.2.1. This requirement is for the provision of temporary help services to federal government departments and agencies in one or more of the geographical Areas listed in Annex "A" Statement of Work, on an as and when requested basis.

There are 7 geographical Areas within the Western Region which are listed in this solicitation's Annex "A" Statement of Work under Article 3. Areas. Offerors must submit separate offers for each of the geographical Areas where they wish to provide services.

There are 4 temporary help services categories:

- Administrative Support
- Professional and Administrative
- Technical and Operational
- Telecommunications and Engineering Services

These categories are further broken down into classifications viewable at: <http://ont-sat-ths.tpsgc-pwgsc.gc.ca/procedures/services-eng.cfm>

Temporary help services may be required from Offerors who provide the services of employees to other organization on a temporary basis when the other organization's incumbent employee is absent for a period of time; during a temporary workload increase, or when a position is in the process of being staffed.

- 1.2.2 It is intended to issue multiple Standing Offers to qualified Offerors as the result of this Request for Standing Offer process.

A Standing Offer is not a Contract and does not commit Public Works and Government Services Canada (PWGSC) to procure or contract for any goods, services or both. Any Standing Offer resulting from this Request for Standing Offer constitutes an Offer made by an Offeror for the provision of certain services to Canada at prearranged prices, under set terms and conditions that is open for acceptance by one or more Identified User(s) on behalf of Canada during a specified period of time.

The resulting Standing Offers including Offeror(s)' prices will be accessible to Identified User(s) through an electronic catalogue.

This electronic catalogue will be updated semi-annually (every 6 months) to enable new Offerors the ongoing opportunity to qualify for a Standing Offer, and to enable existing Standing Offer Holders to revise their rates or contacts, or qualify for additional Areas. For the refresh, a Notice of Proposed Procurement (NPP) and a Request for Standing Offer (RFSO) will be posted on the Buy and Sell (<https://buyandsell.gc.ca/>) website 21 days after the closing date of each solicitation.

- 1.2.3 The period for making call-ups against the resulting Standing Offer is from December 1, 2018 to May 31, 2019, with the irrevocable right to extend for 2 additional one year periods.
- 1.2.4 The requirement is subject to the provisions of the Canadian Free Trade Agreement (CFTA).
- 1.2.5 The requirement is limited to Canadian goods and/or services.
- 1.2.6 This procurement includes a Voluntary Set-Aside for Aboriginal Business. For further information on the Set-Aside Program for Aboriginal Business, contact the Aboriginal Procurement and Business Promotion Directorate, Indigenous and Northern Affairs Canada, at 1-800-400-7677 or by e-mail at: saea-psab@aandc-aadnc.gc.ca. Call-ups to identified Aboriginal businesses under this Standing offer will be set aside under the federal government's Procurement Strategy for Aboriginal Business, as detailed in Annex 9.4 Requirements for the Set-aside Program for Aboriginal Business, of the Supply Manual.
- 1.2.7 Effective February 1, 2017, PWGSC requires electronic fingerprinting as part of any new, renewal or upgrade of personnel security screening request. The accredited fingerprint service provider will charge market value for their processing services and fee charged may vary from one provider to the next. Offerors whose resources require a new, renewal or upgrade personnel security clearance are responsible for absorbing all costs associated with these fees. Learn how this will change the personnel security screening process for those required to work on Government of Canada contracts: <http://www.tpsgc-pwgsc.gc.ca/esc-src/personnel/empreintes-obligatoire-mandatory-fingerprints-eng.html>
- 1.2.8 This RFSO allows offerors to use the epost Connect service provided by Canada Post Corporation to transmit their offers electronically. Offerors must refer to Part 2 of the RFSO entitled Offeror Instructions and Part 3 of the RFSO entitled Offer Preparation Instructions, for further information on using this method

1.3 Security Requirements

There are security requirements associated with the requirement of the Standing Offer. For additional information, see Part 6 - Security, Financial and Insurance Requirements, and Part 7 - Standing Offer and Resulting Contract Clauses. For more information on personnel and organization security screening or security clauses, Offerors should refer to the [Industrial Security Program \(ISP\)](http://ssi-iss.tpsgc-pwgsc.gc.ca/index-eng.html) of Public Works and Government Services Canada (<http://ssi-iss.tpsgc-pwgsc.gc.ca/index-eng.html>) website.

1.4 Debriefings

Offerors may request a debriefing on the results of the request for standing offers process. Offerors should make the request to the Standing Offer Authority within 15 working days of receipt of the results of the request for standing offers process. The debriefing may be in writing, by telephone or in person.

PART 2 - OFFEROR INSTRUCTIONS

 - subsection 1 is deleted and replaced as follows:

1. - c. If the Offeror sends an email requesting epost Connect service to the specified Bid Receiving Unit in the RFSO, an officer of the Bid Receiving Unit will then initiate an epost Connect conversation. The epost Connect conversation will create an email notification from Canada Post Corporation prompting the Offeror to access and action the message within the epost Connect conversation. The Offeror will then be able to transmit its offer afterward at any time prior to the RFSO closing date and time.

2.3 Former Public Servant

Contracts awarded to former public servants (FPS) in receipt of a pension or of a lump sum payment must bear the closest public scrutiny, and reflect fairness in the spending of public funds. In order to comply with Treasury Board policies and directives on contracts awarded to FPS, offerors must provide the information required below before the issuance of a standing offer. If the answer to the questions and, as applicable the information required have not been received by the time the evaluation of offers is completed, Canada will inform the Offeror of a time frame within which to provide the information. Failure to comply with Canada's request and meet the requirement within the prescribed time frame will render the offer non-responsive.

Definitions

For the purposes of this clause,

"former public servant" is any former member of a department as defined in the [Financial Administration Act](#) R.S., 1985, c. F-11, a former member of the Canadian Armed Forces or a former member of the Royal Canadian Mounted Police. A former public servant may be:

- a. an individual;
- b. an individual who has incorporated;
- c. a partnership made of former public servants; or
- d. a sole proprietorship or entity where the affected individual has a controlling or major interest in the entity.

"lump sum payment period" means the period measured in weeks of salary, for which payment has been made to facilitate the transition to retirement or to other employment as a result of the implementation of various programs to reduce the size of the Public Service. The lump sum payment period does not include the period of severance pay, which is measured in a like manner.

"pension" means a pension or annual allowance paid under the [Public Service Superannuation Act](#) (PSSA), R.S., 1985, c. P-36, and any increases paid pursuant to the [Supplementary Retirement Benefits Act](#), R.S., 1985, c. S-24 as it affects the PSSA. It does not include pensions payable pursuant to the [Canadian Forces Superannuation Act](#), R.S., 1985, c. C-17, the [Defence Services Pension Continuation Act](#), 1970, c. D-3, the [Royal Canadian Mounted Police Pension Continuation Act](#), 1970, c. R-10, and the [Royal Canadian Mounted Police Superannuation Act](#), R.S., 1985, c. R-11, the [Members of Parliament Retiring Allowances Act](#), R.S. 1985, c. M-5, and that portion of pension payable to the [Canada Pension Plan Act](#), R.S., 1985, c. C-8.

If so, the Offeror must provide the following information, for all FPS in receipt of a pension, as applicable:

- a. name of former public servant;
- b. date of termination of employment or retirement from the Public Service.

By providing this information, Offerors agree that the successful Offeror's status, with respect to being a former public servant in receipt of a pension, will be reported on departmental websites as part of the published proactive disclosure reports in accordance with [Contracting Policy Notice: 2012-2](#) and the [Guidelines on the Proactive Disclosure of Contracts](#).

Work Force Adjustment Directive

Is the Offeror a FPS who received a lump sum payment pursuant to the terms of the Work Force Adjustment Directive?

YES () **NO** ()

If so, the Offeror must provide the following information:

- a. name of former public servant;
- b. conditions of the lump sum payment incentive;
- c. date of termination of employment;
- d. amount of lump sum payment;
- e. rate of pay on which lump sum payment is based;
- f. period of lump sum payment including start date, end date and number of weeks;
- g. number and amount (professional fees) of other contracts subject to the restrictions of a work force adjustment program.

For all contracts awarded during the lump sum payment period, the total amount of fees that may be paid to a FPS who received a lump sum payment is \$5,000, including Applicable Taxes.

2.4 Enquiries - Request for Standing Offers

All enquiries must be submitted in writing to the Standing Offer Authority no later than 5 calendar days before the Request for Standing Offers (RFSO) closing date. Enquiries received after that time may not be answered.

Offerors should reference as accurately as possible the numbered item of the RFSO to which the enquiry relates. Care should be taken by Offerors to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the question(s) or may request that Offerors do so, so that the proprietary nature of the question(s) is eliminated, and the enquiry can be answered to all Offerors. Enquiries not submitted in a form that can be distributed to all Offerors may not be answered by Canada.

2.5 Applicable Laws

The Standing Offer and any contract resulting from the Standing Offer must be interpreted and governed, and the relations between the parties determined, by the laws in force in the Province of Saskatchewan.

Offerors may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their offer, by deleting the name of the Canadian province or territory specified and inserting the name of the Canadian province or territory of their choice. If no change is made, it acknowledges that the applicable laws specified are acceptable to the Offerors.

PART 3 - OFFER PREPARATION INSTRUCTIONS

3.1 Offer Preparation Instructions

- If the Offeror chooses to submit its offer electronically, Canada requests that the Offeror submits its offer in accordance with section 08 of the 2006 standard instructions. Offerors are required to provide their offer in a single transmission. The epost Connect service has the capacity to receive multiple documents, up to 1GB per individual attachment. The offer must be gathered per section and separated as follows:

Section I: Technical Offer
Section II: Financial Offer
Section III: Certifications

If the Offeror chooses to submit its offer in hard copies, Canada requests that the Offeror provides its offer in separately bound sections as follows:

Section I: Technical Offer (1 hard copy per geographical Area)

Section II: Financial Offer (1 hard copy per geographical Area)

Section III: Certifications (1 hard copy)

- If there is a discrepancy between the wording of the soft copy on electronic media and the hard copy, the wording of the hard copy will have priority over the wording of the soft copy.
- If the Offeror is simultaneously providing copies of its offer using multiple acceptable delivery methods, and if there is a discrepancy between the wording of any of these copies and the electronic copy provided through epost Connect service, the wording of the electronic copy provided through epost Connect service will have priority over the wording of the other copies.

Prices must appear in the financial offer only. No prices must be indicated in any other section of the offer.

Canada requests that Offerors follow the format instructions described below in the preparation of their offer.

- (a) use 8.5 x 11 inch (216 mm x 279 mm) paper;
- (b) use a numbering system that corresponds to that of the Request for Standing Offers.

In April 2006, Canada issued a policy directing federal departments and agencies to take the necessary steps to incorporate environmental considerations into the procurement process [Policy on Green Procurement](http://www.tpsgc-pwgsc.gc.ca/ecologisation-greening/achats-procurement/politique-policy-eng.html) (<http://www.tpsgc-pwgsc.gc.ca/ecologisation-greening/achats-procurement/politique-policy-eng.html>). To assist Canada in reaching its objectives, Offerors should:

- 1) use 8.5 x 11 inch (216 mm x 279 mm) paper containing fibre certified as originating from a sustainably-managed forest and containing minimum 30% recycled content; and
- 2) use an environmentally-preferable format including black and white printing instead of colour printing, printing double sided/duplex, using staples or clips instead of cerlox, duotangs or binders.

Section I: Technical Offer

In their technical offer, Offerors should explain and demonstrate how they propose to meet the requirements and how they will carry out the Work.

Section II: Financial Offer

Offerors must submit their financial offer in accordance with the "Annex B, Basis of Payment", and with the spreadsheet for each of their offered Areas available under "Download and complete Financial Offer" at: <http://ont-sat-ths.tpsgc-pwgsc.gc.ca/docs/index-eng.cfm#dt-tq> or provide their rates for each of their existing offered Areas at this website: <http://ont-sat-ths.tpsgc-pwgsc.gc.ca/entrer-login-eng.cfm>. The total amount of Applicable Taxes must be shown separately.

3.1.1 Electronic Payment of Invoices - Offer

If you are willing to accept payment of invoices by Electronic Payment Instruments, complete Annex "E" Electronic Payment Instruments, to identify which ones are accepted.

If Annex "E" Electronic Payment Instruments is not completed, it will be considered as if Electronic Payment Instruments are not being accepted for payment of invoices.

Acceptance of Electronic Payment Instruments will not be considered as an evaluation criterion.

Section III: Certifications

Offerors must submit the certifications and additional information required under Part 5.

PART 4 - EVALUATION PROCEDURES AND BASIS OF SELECTION

- A.1 Existing Standing Offer Holders wishing to retain existing Standing Offers:

Standing Offer Holders who currently hold a Standing Offer issued under solicitation no. EW478-173162/A or EW478-173162/B or EW478-173162/C are able to revise their rates or contacts at the website before the bid closing date: <http://ont-sat-ths.tpsgc-pwgsc.gc.ca/entrer-login-eng.cfm> with their existing usernames and password*. Standing Offer Holders' rates (including any revisions) will be evaluated accordingly.

Standing Offer Holders are solely responsible to ensure their new rates have been accepted by the above-mentioned website. PWGSC will not be responsible for Offeror's inability to use the system.

If the Standing Offer Holder does not revise their rates at the above-mentioned website, it is considered that their existing rates in the website will continue to apply for the proposed standing offer period and be used for the purpose of the financial evaluation.

*Note: Existing Standing Offer Holders logging in at this link (<http://ont-sat-ths.tpsgc-pwgsc.gc.ca/entrer-login-eng.cfm>) for the first time will need to click on "Forgotten your password?" to reset passwords.

- A.2 Existing Standing Offer Holders offering services for additional geographical Areas:

If an Existing Standing Offer Holder wishes to submit for another geographical Area not previously issued to them, a brand new offer must be submitted in accordance with Section B – All Other Offerors, below.

B. ALL OTHER OFFERORS:

- B.1 Offerors must submit a separate financial offer for each geographical Area for which they are offering services.
- B.2 Offerors must submit their financial offer in accordance with the Annex B, Basis of Payment and with the spreadsheet for each of their offered Areas available under "Download and complete Financial Offer" at: <http://ont-sat-ths.tpsgc-pwgsc.gc.ca/docs/index-eng.cfm#dt-tg>. The format of these spreadsheets is not to be altered.

The prices must be an all-inclusive firm hourly rate in Canadian funds excluding applicable taxes but including salary, overhead, profit, benefits, annual leave,

sick leave, security clearance processing cost etc, for the provision of a temporary help unilingual English speaking resource. Only one firm hourly rate is to be provided per classification, per category. (Note: the Offeror should complete the "Company profile and contact information" section on each spreadsheet).

4.1.2.2. Firm hourly rates below the minimum wage for the respective Province/Territory will be deemed non-responsive and will be automatically removed and not evaluated any further.

4.1.2.3 All responsive offers including Existing Standing Offer Holders, holding a valid organization security clearance as indicated in Part 7A - Standing Offer, Article 7.2.1.1. by November 30, 2018, will proceed to the financial evaluation stage as follows:

Step 1: Initial Screening of Rates for each classification of each Area

Limit "A" = average all-inclusive hourly rate less 20%
Limit "B" = average all-inclusive hourly rate plus 20%

Rates which fall under limit "A" will be accepted and Standing Offers will be issued to these qualified Offerors. Rates which are over limit "B" will be rejected. The rates which are in between these two limits will be used in the calculation of Step 2.

Step 2: Final Screening of Rates for each classification of each Area

A new average will be calculated using the rates remaining from the initial screening (rates that have not been initially accepted or rejected in step 1). The remaining rates falling on the new average all-inclusive hourly rate or below the new average all-inclusive hourly rate plus 5% will be issued Standing Offers.

Rates which exceed the Step 2's new average all-inclusive hourly rate plus 5% will be rejected and excluded from further consideration in the electronic catalogue presentation for that offer period for that offered classification.

All assigned temporary help resources must meet the applicable minimum qualifications for each classification as outlined at: <http://ont-sat-ths.tpsgc-pwgsc.gc.ca/procedures/services-eng.cfm>.

For the Administrative Support category, the standards can be found in the "CAN/CGSB-168.1-91 Classifications and Descriptions for Administrative Support Temporary Help". This Standard may be purchased from the Canadian General Standards Board by phone 1-800-665-2472, or on-line at <http://www.tpsgc-pwgsc.gc.ca/ongc-cgsb/index-eng.html>.

Each Standing Offer Holder is given two (2) Usernames (and applicable passwords). These Usernames are to access the electronic catalogue at <http://ont-sat-ths.tpsgc-pwgsc.gc.ca/sat-ths/>

- One Username allows you to view the current catalogue rates for your Area & the Client Procedures Menu.
- The second Username allows you to revise your company information, bilingual status, and change your firm hourly rates, to be updated at the next refresh period. It is recommended that a copy of the revised rates or contacts, be submitted to the Standing Offer Authority.

The Standing Offer Holders assume responsibility for input of data on the site. The e-mail addresses listed by the Standing Offer Holder are the addresses that are sent *.pdf orders generated by the system.

The Standing Offer Holders must notify the Standing Offer Authority to change or delete Usernames.

7.2 Make Changes in Inventory

If during the period of the Standing Offer, the Standing Offer Holder can no longer provide a resource for a specific classification, the Standing Offer Holder must advise the Standing Offer Authority;

- the Standing Offer Holder has not received any other payment from any other client, including the government, during the period of the closure; and
- the affected resource(s) has (or have) been or will be paid at the rates such resource(s) is (or/are) entitled to be paid have the services been provided as required in the Call-Up.

Note: There is no guarantee that the same temporary help resource will remain available upon re-opening of Government offices.

8. Unsatisfactory Services:

The following situations constitute a complaint. The Standing Offer Holder:

- i) was unable to provide a resource that meets the classification description for which they had offered;
- ii) did not respond within the time stipulated in the email request;
- iii) would not honour the firm hourly rate as listed in the electronic catalogue;

ANNEX "B"

BASIS OF PAYMENT

Payment will be determined by the actual hours worked and the firm hourly rate specified in the Call-up document.

1.1 Firm Hourly Rate:

Only one firm hourly rate is to be provided per classification. The prices must be an all inclusive firm hourly rate in Canadian funds including salary, overhead, profit, benefits, annual leave, sick leave, for the provision of a temporary help unilingual English speaking resource. The firm hourly rates listed in the electronic catalogue form part of this Annex B - Basis of Payment.

1.2 Call-ups beyond six months:

The rate identified in the call-up, will apply for the entire period, including any amendments extending the period of the call-up.

1.3 Travel and Living Expenses:

All travel and living expenses between the temporary employee's residence and the work site and/or the Offeror's premises are the sole responsibility of the temporary help personnel and/or the Offeror.

However, should the temporary help employee be required to travel beyond the parameters stated above, the following will apply:

The Contractor will be reimbursed its authorized travel and living expenses reasonably and properly incurred in the performance of the Work, at cost, without any allowance for profit and/or administrative overhead, in accordance with the meal, private vehicle and incidental expenses provided in Appendices B, C and D of the *National Joint Council Travel Directive* and with the other provisions of the directive referring to "travellers", rather than those referring to "employees".

All travel must have the prior authorization of the Project Authority.

All payments are subject to government audit.

1.4 Premium for Bilingual Services:

In those circumstances when the services of bilingual personnel are specifically requested by the Identified User, the Offeror will add a premium of \$0.55 per hour on the firm hourly rate applicable to the classification requested. Should the Offeror not specify a bilingual staff member, it will be presumed the services will be unilingual English only.

1.5 Overtime

The overtime multiplier should be identified on the appropriate location of the spreadsheet but will not be used in the evaluation. The overtime multiplier will be identified in the catalogue for overtime situations and to break "ties" to rank firms with the same firm hourly rates. The overtime multiplier is that quoted number which when multiplied by the firm hourly rate for any classification will yield a bill rate in situations when a Project Authority has specifically authorized overtime as applicable to the Province/Territory where services are provided. The overtime rates will be calculated by multiplying the overtime multiplier by the firm hourly rate for the classification provided. The overtime multiplier must not include any element of overhead and profit, but confined solely to the increase in wages and employer contributions.

Example:

Firm hourly rate: \$20.00/hour

Rate exclusive of overhead, profit, benefit, etc.: \$15.00/hour

Although employee gets 1.5x their rate for overtime the overtime multiplier would be 1.125 not 1.5. The Standing Offer Authority will be performing periodic audits to ensure that the overtime multiplier is less than 1.5.

Overtime rates can only be paid for time worked at the given assignment in excess of the hours stipulated by Provincial/Territorial Legislation per week (and/or per day). For the purposes of calculating overtime, the week begins on Monday. All overtime requires the prior approval of the Project Authority and no other reason will justify billing at the overtime rates.

1.6 Statutory Holidays/Annual Leave/Sick Leave:

No temporary help personnel shall work on a statutory holidays identified within this article. Statutory holiday pay is the sole responsibility of the Offeror. Temporary help personnel are not to work on any of the statutory holiday identified in the sentence below.

Federal government offices are generally closed on the following statutory holidays: New Year's Day, Good Friday, Easter Monday, Victoria Day, Canada Day, Civic Holiday, Labor Day, Thanksgiving Day, Remembrance Day, Christmas Day, and Boxing Day.

Canada will not accept any charges for statutory holidays or annual leave or sick leave incurred by the Offeror as a consequence of satisfying the terms of the resulting Call-up.

1.7 Family Day:

Family Day is observed as a public (or statutory) holiday in the province of Alberta And Saskatchewan and is held every year on the third Monday of February. This is an Alberta and Saskatchewan provincial holiday that the Federal Government of Canada has not adopted and, as a result, all Identified Users should not request temporary help resource to work on Family Day.

1.8 Interview fees for administrative support categories only:

Canada has the right to request an interview for temporary help employees. Normally, interviews are not necessary for employees in the Administrative Support category because Offerors have already carried out a selection process using interviews and tests. When an Identified User invites an administrative support candidate to an interview, the Offeror will charge the department or agency the equivalent of four (4) hours of work, at the rate established for the level in question. In this situation, the Identified User will issue a call-up and sign the time sheet.

Interviews required for other categories will not be charged under the Standing Offer. It is the duty of a Standing Offer Holder to find up to three (3) of the best qualified employees available to meet the requirements. In these categories, Standing Offer Holders will provide résumés or work samples of the proposed personnel and the Project Authority will be entitled to one (1) interview for up to three (3) candidates, at no charge.

1.9 No charge for Unsatisfactory Services Reported within first four (4) hours:

If an Identified User has not requested résumés or asked for interviews and the services are reported as being unsatisfactory within the first four (4) hours, then the Identified User will not be charged.
