The purpose of this amendment is to:

- 1) Address questions posed concerning the solicitation.
- 2) Make changes to Attachment 1 to Part 3 – Pricing Schedule.

1. Response to questions:

Questions	Reference	Answers:
1) Could Canada please confirm that for contract year 2 that the schedule requires a price for a minimum of 1,168 hours, between 1,169 and 1,752 (584) and between 1,753 and 2,336 (584) hours?	RFP Pricing Schedule Table 3 and Table 4	Table 3 and Table 4 in the Pricing Schedule are updated to indicate the prices required for the minimum and additional hours in all contract periods. Please see number XX for the updated tables.
2) Could Canada please confirm that for contract years 3 to 6 and for contract options 1 and 2 that the sub-total for each should be multiplied by the number of contract years per period?	RFP Pricing Schedule Table 3 and Table 4	C&P added a separate line in Table 3 and Table 4 to calculate flying hour costs per contract period. Please see number XX for the updated tables.
3) Could Canada please confirm if column “D” should multiply columns “A” and “B” and not “A” and “C”?	RFP Pricing Schedule Table 3 and Table 4	C&P requires an estimated flying hour cost for two (2) aircraft. As a result, C&P confirms, in Table 3 and Table 4; Column D is the sum of multiplying Column A x Column C demonstrating the flying hour price for two (2) aircraft.

2 Attachment 1 to Part 3 – Pricing Schedule

Delete tables 3 and 4.
