3. Construction Tender Form (**Mandatory - to be completed by Bidder**)

CLOSING LOCATION(S):

Location #1 – For electronic submissions ONLY

Please send your electronic proposal to: DFOtenders-soumissionsMPO@dfo-mpo.gc.ca

The maximum size per email (including attachments) is limited to **10MB**. If the limit is exceeded, your email might not be received by DFO. It is suggested that you compress the email size or send multiple emails to ensure delivery. Bidders are responsible to send their proposal and to allow enough time for DFO to receive the proposal by the closing period indicated in the RFP.

For bids transmitted by email, DFO will not be responsible for any failure attributable to the transmission or receipt of the email bid. DFO will send a confirmation email to the Bidders when the submission is received.

Location #2 - For hard copy submissions

Fisheries and Oceans Canada,
Attention: Nancy Paquette
Ref: F5211-180312
Procurement Hub – Fredericton Office,
301 Bishop Drive, Fredericton, NB, E3C 2M6

Please Note:

All bids bonds are to be submitted in hard copy by the bid closing date and time to the mailing address indicated above whether the bid submission is sent via Location #1 or Location #2.

DELIVERABLES / SCOPE OF WORK

The scope of work consists of the furnishing of all plant, labour, equipment, and material for canal wall repairs at Calvert, NL. The work will be completed in strict accordance with the specification and accompanying drawings, and subject to all terms and conditions of the Contract.

The project work will consist of, but will not necessarily be limited to, the following:

Fisheries and Oceans
Canada

- Construction of treated timber cribwork behind sections of the existing concrete canal wall, top cribwork with imported armour stone.
- Removal and reinstallation of the existing armour and addition of new as required. Existing rock can be re-used in the new work, if meeting the size requirements noted in the documents. Any excess rock is to be removed from site.
- Supply and installation of rock/gravel fill and granulars, as noted on the drawings.
- Concrete rehabilitation of sections of existing canal wall.
- Removal and replacement of various site features including, but not limited to waste oil tank, bollards and signs to accommodate construction and reinstallation prior to project completion.
- Removal and disposal of all construction debris from channel and other work areas prior to demobilizing.
- Removal of existing concrete pad to accommodate construction. Submit shoring and bracing plan stamped and signed by a professional engineer registered to practice in Newfoundland and Labrador to Departmental Representative for review.
- Removal and replacement of existing ladder on concrete canal wall.
- Supply and installation of new signage including post and mounting hardware.

FAMILIARIZATION WITH SITE

Before submitting a bid, bidders can visit the site and its surroundings, at their own expense, to review and verify the form, nature, and extent of the work, materials needed for the completion of the work, the means of access to the site, severity, exposure and uncertainty of weather, soil conditions, any accommodations they may require, and in general shall obtain all necessary information as to risks, contingencies and other circumstances which may influence or affect their bid. No allowance shall be made subsequently in this connection on account of error or negligence to properly observe and determine the conditions that will apply.

Contractors, bidders, or those they invite to site are to review specification Section 01 35 28 – Health and Safety Requirements before visiting site. Take all appropriate safety measures for any visit to site, either before or after acceptance of bid.

EXPECTED START AND COMPLETION DATES

The services of the Contractor will be commencing upon contract award. The expected completion date of this project is **October 31, 2018**

MANDATORY REQUIREMENTS:

- The minimum acceptable amount of Public Liability and Property Damage Insurance is **\$2,000,000.00** per occurrence. All tenders **must** be accompanied by confirmation from the tenderer's insurance company that the required insurance will be available upon contract award;

Question and Answer period: DFO will accept questions from Bidders **until Thursday, July 12, 2018 at 2:00 pm Atlantic Time**. These are to be sent **directly and only** to the contracting Officer listed below.

Enquiries regarding this Invitation to Tender are **ONLY** to be submitted in writing by emailing to the following:
