Addendum No. 2

(Clarification)

RFSO document, Section 4.3 – Offeror’s qualification

Clarification to point (b)

Offerors must complete section 4.3 (b) for evaluation purposes. This section will allow CMHC to understand the quality of staff available at the time of the issuance of this RFSO.

CMHC will not oblige Offerors, who scored the highest to receive a SO Agreement, to name such resources within SO Agreement but maintain the same quality level of staff, as evaluated, throughout the term of the SO.
