**1.1                General**

- .1            This Addendum is issued prior to tender closing and shall become an integral part of the Tender, Specifications, Drawings and Contract Documents for this project.
- .2            In the event of conflicts between the various Contract Documents, the order of precedence shall be as stipulated in the General Conditions of the Contract, except that this Addendum shall take overall precedence.

**Part 2            Questions**

- .1            As near as I can determine from the documents, the only work for VBU097 is the oil tank replacement. Can you confirm this? I just want to make sure there is not a drawing set missing.

That is correct the only work on VBU097 is the upgrading of the supports for the existing fuel tank. No other work is to be done.
