A.7 **FINANCIAL SECURITY**

- A.7.1** There are two (2) types of financial security deposit documents **required (M)** for this Tender. The first is a *Bid or Tender Bond*; the Bid Bond **must (M)** be submitted by the Proponent at the time of the Tender, with the submission. The second is a *Performance Bond/Labour and Materials Bond*; the Performance Bond/ Labour and Material Payment Bond will be required from the Proponent selected by NGC for contract award. The Performance Bond/ Labour and Material Payment Bond need not be submitted with the Tender but **must (M)** be submitted to NGC within **15 days of receipt** by the Proponent of official Contract award notification from NGC. The cost to supply the Performance Bond/ Labour and Material Payment Bond to NGC **must (M)** be included in the Financial Proposal.

The following general financial security conditions and information apply to both the *Bid Bond* and to the *Performance Bond/ Labour and Material Payment Bond*.

- A.7.2** Any financial security received by NGC must have an appropriate expiry date. The document must not have its expiry date coincide with the projected cessation of the risk that it covers. For instance, the expiry date stated in a letter of credit should not be the same date as the one projected for the contract award, or for the project completion date. In the case of a bid bond, the expiry date must allow for a comfortable turn-around time from the estimated date of the contract award, to ensure that the contracting officer is satisfied that the Proponent has discharged its obligations for which the letter of credit was provided. In the case of a performance bond, the expiry date must allow for final inspection and resulting corrective actions, should any be required. If the Proponent has not met its obligations, the contracting officer must have sufficient time to prepare and present the required demand for payment under the letter of credit. For the purpose of article A.7.2.1, NGC requires that the expiry date stated on the security document as being: a) sixty (60) days past tender closing date in the case of a Bid Bond; OR b) ninety (90) days past the contract completion date, in the case of a Performance Bond/Labour and Materials Bond.
- A.7.3** The Bid Bond and the Performance Bond/ Labour and Material Payment Bond must (M) must take the form of:

- b) a government guaranteed bond; or
- c) an irrevocable standby letter of credit; or
- d) such other security as may be considered appropriate by the Contracting Authority, at its sole discretion.

A.7.4 “Bill of Exchange” here means:

Documents such as certified cheques, bank drafts and money orders, and are defined in the *Bills of Exchange Act* as "an unconditional order in writing, addressed by one person to another, signed by the person presenting it, requiring the person to whom it is addressed to pay, on demand or at a fixed or determinable future time, a sum of money to or to the order of a specified person or to the bearer". It would become payable to NGC if the conditions of the Tender or Contract are not met.

A.7.5 A government guaranteed bond must be in an approved form, issued by an approved company whose bonds are acceptable to the Government of Canada. See **Section E - Appendix E** for a listing of acceptable bonding companies. There may be additions or deletions from this list after the date of release of this Tender. Please check the Treasury Board of Canada Website for an up to date listing (under Contracting Policy, Appendix L). <http://www.tbs-sct.gc.ca/pol/doc-eng.aspx?id=14494>

The bond must be payable to the bearer, accompanied by a duly executed instrument of transfer of the bonds to the National Gallery of Canada in the prescribed by the Domestic Bonds of Canada Regulations, and registered in the name of the National Gallery of Canada.

A.7.6 An irrevocable standby Letter of Credit means:

- a) Is any arrangement, however named or described, whereby a financial institution (the “Issuer”), acting at the request and on the instructions of a customer (the “Applicant”), or on its own behalf, is to make a payment to or to the National Gallery of Canada, as the beneficiary, or is to accept and pay bills of exchange drawn by the National Gallery of Canada, or authorizes another financial institution to effect such payment, or accept and pay such bills of exchange, or authorizes another financial institution to negotiate, against written demand(s) for payment provide that the terms and conditions of the letter of credit are complied with.
- b) States the face amount which may be drawn against it and the expiry date;
- c) Provides for sight payment to the National Gallery of Canada by way of the financial institutions’ draft against presentation of a written demand for payment signed by

the authorized departmental representative identified in the letter of credit by his/her office;

- d) Provides that more than one written demand for payment may be presented subject to the sum of those demands not exceeding the face amount of the Letter of Credit;
- e) Provides that it is subject to the International Chamber of Commerce (ICC) Uniform Customs and Practice for Documentary Credits, 1993 Revision, ICC Publication NO. 500 and that it clearly specifies that it is irrevocable or deemed to be irrevocable pursuant to article 6c) of the International Chamber of Commerce (ICC) Uniform Customs and Practice for Documentary Credits, 1993 Revision, ICC Publication No. 500; and
- f) Is issued or confirmed, in either of Canada's official language, by a financial institution which is a member of the Canadian Payments Association and is on the letterhead of the Issuer or Confirmer. The format is left to the discretion of the Issuer or Confirmer.
- g) must clearly state that it is irrevocable or considered to be irrevocable pursuant to article 6c) of the ICC Customs and Practice for Documentary Credits, 1993 Revision, ICC publication No. 500

A.7.7 A Labour and Material Payment Bond means:

A bond that is given by the Surety to the contractor as the Principal naming NGC as the Obligee. It guarantees payment for labour furnished or materials supplied in connection with a contract awarded to that contractor. It provides protection to claimants as defined in the bond, typically subcontractors/suppliers/sub-sub-contractors who have not received payment for labour and material utilized in the execution of the contract. The notice of such claims must be received by the Surety and the contractor within ninety (90) days from the date the payment was due and may be in amounts up to the value of the bond.

A.7.8 BID BOND - Mandatory (M)

A *bid bond* is a guarantee that if a Proponent's proposal or tender is accepted, the Proponent will enter into the contract within the time specified. If the Proponent fails this obligation, the bid bond will provide a sum of money up to the face value of the bond to bridge the difference between the amount of the original bid and the amount for which NGC legally contracts with another party to do the work, or to supply the goods and services described in the ITT.

The bid bond also provides assurances that the Proponent is bondable by the surety (bonding company) and that the Proponent would be able to provide to NGC the specified

security, such as a Performance Bond/ Labour and Material Payment Bond, should the Proponent be offered the contract.

The Proponent **must (M)** submit the bid bond with the tender

A.7.8.1 The bid bond shall be equal to **not less than 10% of the tender amount;**

A.7.8.2 The bid bond **shall (M)** remain in place for 60 days after the Tender closing, until the Contract is awarded and signed or until notification by the National Gallery of Canada that a Proponent is unsuccessful. The National Gallery of Canada reserves the right to request extensions for an additional 60 day period if required. Bid securities will be returned to the unsuccessful Proponents.

A.7.8.3 The bid bond **will (M)** be forfeited in favour of NGC

- a) If the Proponent withdraws or amends all or any part of its proposal at any time after the Tender closing date and time and prior to the Contract award **OR**
- b) If the National Gallery of Canada does not receive the executed Contract, Insurance Certificate and the Performance Bond/ Labour and Material Payment Bond , within **fifteen (15) calendar days** of the Contract Award to the successful Proponent.

Any alterations, corrections, changes or erasures made to statements or figures entered on the Tender Forms by the Proponent **shall (M)** be initialled by the person or persons signed the Tender. Initials **shall (M)** be original(s). Alterations, corrections, changes or erasures that are not initialled shall be deemed void and without effect.

B.8 **ACCEPTANCE OF THE BID**

B.8.1 The NGC may accept any Bid, whether it is the lowest or not, or may reject any or all Tenders.

B.8.2 Without limiting the generality of B.8.1, the NGC may reject any bids based on an unfavourable assessment of:

B.8.2.1 The adequacy of the tendered price to permit the work to be carried out and, in the case of a tender providing unit prices or a combination of lump sum and unit prices, whether each such price reasonably reflects the cost of performing the part of the work to which that price applies;

B.8.2.2 The Proponent's ability to provide the necessary management structure, skilled personnel, experience and equipment to perform competently the work under the contract.

B.8.2.3 The Proponent's performance on other contracts.

B.8.3 In assessing the Proponent's performance on other contracts pursuant to B.8.2, the NGC may consider, but not be limited to, such matters as:

B.8.3.1 The quality of services provided by the Proponent;

- B.8.3.3** The Proponent's overall management and its effect on the level of effort demanded of the NGC and its representatives.
- B.8.4** The NGC may reject a bid where any of the following circumstances is present:
 - B.8.4.1** The Proponent, or any employee or subcontractor included as part of the Bid, has been convicted under Section 121 ("Frauds on the Government" & "Contractor subscribing to election fund") or 124 ("Selling or purchasing office") or 148 ("Selling defective stores to Her Majesty") of the Criminal Code;
 - B.8.4.2** The Proponent's bidding privileges are suspended or are in the process of being suspended by the Department of Public Services and Procurement Canada or any other Department or Agency of the Government of Canada;
 - B.8.4.3** The bidding privileges of any employee or subcontractor included as part of the Bid have been suspended or are in the process of being suspended by the Department of Public Services and Procurement Canada or any other Department or Agency of the Government of Canada, which suspension or pending suspension would render that employee or subcontractor ineligible to bid on the Tender, or the portion of the services that the employee or subcontractor is to perform;
 - B.8.4.4** With respect to current or prior transactions with the Government of Canada:
 - B.8.4.4a)** The Proponent is bankrupt or where, for whatever reason, its activities are rendered inoperable for an extended period;
 - B.8.4.4b)** Evidence, satisfactory to the NGC, of fraud, bribery, fraudulent misrepresentation or failure to comply with any law protecting individuals against any manner of discrimination, has been received with respect to the Proponent, any of its employees or any subcontractor included as part of its Tender;
 - B.8.4.4c)** The NGC has previously exercised or intends to exercise the contractual remedy of taking the work out of the Contractor's hands with respect to a Contract with the Proponent, any of its employees or any subcontractor included as part of its Bid; or
 - B.8.4.4d)** The NGC determines that the Proponent's performance on other contracts, including the efficiency and workmanship as well as the extent to which the Proponent executed the work in accordance

with contractual terms and conditions, is sufficiently poor to jeopardize the successful completion of the requirement being bid on.

- B.8.5** Where the NGC intends to reject a bid pursuant to a provision of clause B.8.4, other than sub clause B.8.4.2, the NGC will so inform the Proponent and provide the Proponent ten (10) days within which to make representations, prior to making a final decision on the Tender rejection.

B.9 MARKING THE CONFIDENTIALITY OF PROPONENT'S INFORMATION

All information regarding the terms and conditions, financial and/or technical aspects of the proponent's proposal, which in the Proponent's opinion, are of a proprietary or confidential nature **shall (M)** be clearly marked "**PROPRIETARY**" or "**COMPANY CONFIDENTIAL**" at each relevant item or page or in a statement covering the entire proposal. The Proponent **shall (M)** clearly identify any proprietary or confidential information as such and specify the desired treatment of such proprietary or confidential information.

SECTION D: EVALUATION AND SELECTION CRITERIA

D.1 EVALUATION COMMITTEE

The Evaluation Committee will evaluate proposals. The Evaluation Committee will be composed at a minimum of the NGC Project Officer, and the Contracting Authority. At the NGC’s discretion, other qualified individuals may be invited to participate in the evaluation. Decisions as to the degree to which a proposal meets the requirements of this ITT are within the exclusive judgment of the Evaluation Committee.

The Evaluation Committee has the right to request clarifications from the Proponent. If clarifications are sought, Proponents will have 2 working days, unless otherwise indicated by NGC, to provide a response to the request for clarification. Failure to meet this deadline without the written consent of the NGC **will result (M)** in the proposal being deemed Non-Responsive. This **will (M) not be** an opportunity for Proponents to modify or supplement their bid.

D.2 EVALUATION

Proponents are hereby advised that failure to provide all of the information and documentation, to the degree specified in the ITT and in the format indicated, can result in their Proposal to be either judged non-compliant (as in the case of **Mandatory (M)** items), or result in minimal, or in no points being awarded (as in the case of rated requirements).

The Financial Proposal (Section F) **will (M)** be separated from the Proponent’s technical documents of Sections D and G before it is forwarded to the Evaluation Committee for review to ensure an impartial evaluation.

D.3 EVALUATION PROCESS

Following the bid closing date, a three (3) step bid evaluation process will commence.

Consensus for the purpose of this ITT is a score deemed appropriate by all members of the evaluation team.

Evaluation Process:

- Step One Ensuring the Proponent has submitted all **mandatory (M)** information and documents described in the ITT (Section A.8)
- Step Two Technical Proposal
- Step Three Financial Proposal

Proponents **must (M)** obtain the minimum number of points, as specified in paragraphs D.3.1 to D.3.2, in order to move forward to the next step. Proponents who have succeeded in passing all three steps will then be ranked according to their total points earned. The Proponent with the highest points earned will become the successful Proponent.

D.3.1 Step One: Mandatory Requirements

In Step One of the evaluation process, all bids **will be (M)** inspected for their compliance to the **mandatory (M)** requirements as per **Section A.8**. Any bid that fails to meet any of the mandatory requirements of the ITT **will be (M)** deemed non-responsive and **will not (M)** be considered further.

The ITT conditions/documents **will not (M)** be amended or deleted in any way, including being amended by the addition of a new provision that may have the effect of derogating from the provisions set out in the ITT. Proponent **must (M)** have an authorized signatory from their firm fill out, sign and return requested Tender documents indicating their full acceptance of, and compliance with, the provisions set out in the ITT.

Proposals that meet all the **Mandatory (M)** requirements will proceed to Step 2.

D.3.2 Step Two: Evaluation of Technical Proposal

D.3.2.1 Experience

Proponents **must (M)** have a minimum of five (5) years documented experience and related qualifications in modifications to concrete, granite, miscellaneous metals and glazed balustrades in public/commercial buildings. Proponents **must (M)** identify three (3) relevant services completed within the last five (5) years and provide in the following format.

1. A detailed project description
2. A detailed description of the Contractor's scope of work
 - a. Confirm if new construction or renovation/restoration
3. Tender Value
4. Final Contract Value
5. Explanation of any gaps between the Tender Value and Final Contract Value
6. Scheduled end date at time of Contract Award
7. Final end date
8. Explanation of any gaps between the Scheduled end date at time of Contract Award and Final end date
9. Provide the name, email address and phone number of a reference associated with the owner or general contractor of the project that can:
 - a. Confirm that the information above is true.
 - b. Confirm that gaps identified in (5) and (8) were not attributed to the Contractor's performance.

Each Project Profile is not to exceed 5 (singled sided) pages.

Higher scores will be awarded for projects relevant to the scope of this tender as well as projects that have similar timelines.

D.3.2.2 Project Team

Proponents **must (M)** identify the team who will be responsible and on site for the NGC project. The team must have experience in the scope of work identified in Section C. The individuals identified should have key roles on the project; i.e. Site Superintendent, Project manager, workers, etc. Information must be provided in a resume format, not to exceed 2 pages, single-sided.

D.3.2.3 Presentation of Bid Submission

Each Bid will be assessed on its content in terms of providing responsive information, completeness and the extent to which proposed project team members meet or exceed experience requirements and the extent to which the projects identified in Project Profiles are assessed by the Evaluation Committee as being comparable to the Work required. Each Bid will also be assessed on the basis of its physical presentation (professionalism, easy to follow, clear and concise information, etc.). To the extent to NGC exercises its discretion to contact references with respect to any bid or any project profile identified in any bid, NGC may take the information provided by the reference in assessing that bid.

D.3.2.4 Evaluation Grid

The following Points Calculation Grid shall be used to evaluate proposals.

Rated Requirements		Available Points
D.3.2.1	Experience	30
D.3.2.2	Project Team	20
D.3.2.3	Presentation	5
TOTAL		55

In order to proceed to Step Three of the Evaluation Phase, Evaluation of the Financial Proposal, the Proponent must have achieved a minimum 70% of points in Step Two.

**D.3.3 Step Three: Evaluation of the Financial Proposal
(Maximum 30 points)**

After successful completion of the Steps One through Two consecutively, the *Financial Proposal* received from the Proponents will be opened and evaluated.

The evaluation of proposals shall be done as follows:

Financial Proposals shall be evaluated based on the lowest total cost compliant proposal being awarded maximum points. Other proposals shall receive a score based on the ratio of the lowest cost proposal to their total cost.

Example (for illustrative purposes only):

Proposal "A" Total Cost = \$130,000

Proposal "B" Total Cost = \$142,500

Proposal A's financial assessment (being the lowest) would receive the highest mark of 30 points.

The score for Proposal "B" would be calculated as follows:

$$\text{Score} = (\text{Total Proposal A} \div \text{Total Proposal B}) \times 30$$

Therefore, the score awarded to Proposal B would be:

$$(\$130,000 \div \$142,500) \times 30 = 27.3 \text{ points}$$

If the candidate passed Step Two the points awarded will be added to the points awarded in Step Three to determine the successful candidate.
