**Question No. 2**

Ballistic Eyewear (BEW): While this item says black frames in the left column. Foliage green is called out in the right column. Please clarify

Ballistic Eyewear	Black Frames Clear and Dark Lenses Qty 150 - Size Small Qty 150 - Size Regular	24590/91 - REV Sawfly Military Kit FOL with Clear and Dark lens	300x
-------------------	---	--	------

**Answer No. 2**

The left hand column refers to items that have been purchased in the past and so the two columns may not be identical if we were not able to obtain the black frames for some reason in the first instance.

Black, Tan or Foliage Green are acceptable for the colour of the frame.
