This solicitation amendment has been raised to answer the following question:

Question 3:

- Are the two pre-tender site visits referred to in TOR 2.5.2.3 the same visits referred to in the list of 11 site visits shown in 3.3.2.2 as “design phases”?

Answer 3:

- TOR 2.5.2 Anticipated Milestone Dates does not specifically call for “two pre-tender visits”. TOR 4.3 Site Visits outlines that after the initial visit (in preparation of predesign) there is to be a visit in preparation of design of the first runway and another visit in preparation of design of the second runway.

Question 4 :

- Is there an airfield electrician familiar with the site and its equipment that can escort and assist us on our pre-design site investigation?

Answer 4:

- There is no electrician on site but the on-site personnel are knowledgeable and will provide escort.

Question 5:

- Are the two runways to be tendered as two (2) completely separate projects? That's what the Schedule in 1.5.2 states but the Constraints section 1.2.4.3 seems to imply a single contract. Can you clarify?

Answer 5:

- Yes, the two runways are to be tendered as two (2) separate construction contracts.

All other terms and conditions of the Request for Proposal remain unchanged.
