AMENDMENT #1

THE PURPOSE OF THIS AMENDMENT IS TO PROVIDE THE ANSWER TO A QUESTION ASKED BY POTENTIAL BIDDER.

YOU MUST CONSIDER THE INFORMATION IN THE ANSWER BELOW IN THE EVALUATION OF YOU BID.

Question and answer:

Q1. Signage:

According to the description in the Invitation to Tender, this request requires one or more signs. However, I did not find any reference in the tender documents concerning this aspect of the request.

Section 01 11 00, Paragraph 1.2 of the specifications mention permanent signage, without describing it.

Signaling is generally covered in Section 10 14 00.

The specifications do not contain a section 10 14 00.

I did not find any other section dealing with signage.

Permanent signage may include different types of sign, such as: Road Sign, Routing or Directional Signage or Interpretive Signs.

A1. In item 1.2 "Work covered by the contract documents" of the General clauses, it is mentioned that the work includes permanent signage. The Bidder must anticipate that they will have to put back in place the permanent signage that was removed during the execution of the works, in their tender. No new permanent signage will be installed as part of this requirement.

THE BID CLOSING DATE REMAINS THURSDAY THE 16TH OF AUGUST 2018, 2PM (EDT).

End of section.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.

A signed copy of this amendment should accompany each tender. If your tender has already been submitted please sign and fax the amendment along with any revisions to tender price, to this office before the close of Tender to fax number (418) 649-6971.
