**Question:**

**The RFP mentions a 'technical workshop' (see Section 6.2, Milestone No. 8) and we were wondering if this technical workshop is in relation to this Cumulative Effects effort/study only or if this is a technical workshop for other purposes and where this Cumulative Effects study would be one of several items on the agenda?**

**Answer:**

**The technical workshop is specifically for this Cumulative Effects of Marine Shipping initiative. As mentioned in the Request for Proposal, please note that a separate contractor will be organizing and facilitating the workshop.**

This amendment shall form part of the agreement. All other terms and conditions of the said agreement shall remain unchanged and in force.
