1. Question #1

Item SR2.3.d in the RFSAP documents states in part: "No Qualified Supplier is permitted to be a Signatory on more than one (1) valid Supply Arrangement under this process." Based on this statement, at this stage would our specialist firm be permitted to be part of several structural engineering firm-led project teams, each submitting independent proposals?

Answer

Subcontractors and sub-Consultants are not "Qualified Suppliers".
