This amendment 003 is raised to provide responses to supplier questions as follows:

=====

**INSERT:** The location of Camera 6 has been moved from the outside of Room 141 to outside of Room 156B as indicated on the attached floorplan

The location of the equipment rack was changed by the site from Room 263 to Room 261 as indicated on the attached 2<sup>nd</sup> floor floorplan.

**There was discussion about the floorplan being inaccurate in the area of Room 156. This is not relevant as Room 156 is not an area of interest and can be disregarded.**

=====

**Question:** During our walk around at the site visit, the name of a similar type DVR that would be suitable for the KCCC project was mentioned. Would it be possible to get the name of the DVR?

**Response:** The system discussed at the meeting was Veracity Coldstore.

=====

All other terms and conditions remain unchanged.
