Letter of Interest (LOI) – Industry day – Learn about upcoming Environmental Response Equipment Program (EREP) bid opportunities and how to prepare a bid

Description

Trade Agreement: CETA / WTO-AGP / CFTA / NAFTA
Tendering Procedures: All interested suppliers may submit a bid
Competitive Procurement Strategy: N/A - P&A/LOI Only
Comprehensive Land Claim Agreement: No

EREP Industry Day – Information and Engagement Session

Public Services and Procurement Canada's Marine Services and Small Vessel Sector, in cooperation with Canadian Coast Guard and the Office of Small and Medium Enterprises, is hosting an industry day. The objectives of this day are to help interested bidders understand the requirements of requests for proposals that are used to procure Environmental Response Equipment (ERE) as per the Oceans Protection Plan (OPP) and to better prepare a bid submission. Participants will be able to ask questions related to the bidding process and learn more about upcoming opportunities under the Environmental Response Equipment Program (EREP).

Important: This is not a bid solicitation process and a contract will not result from this request. Participation in this LOI is not a condition or prerequisite for the participation in any potential subsequent solicitation. Please note that respondents will not be reimbursed for any cost incurred by participating in this LOI.

The Industry Day will:

- provide the marine industry with information on how to understand and better respond to the Requests for Proposal (RFP) process, via a presentation from OSME.
- initiate discussions with the marine industry on the procurement process for Environmental Response Equipment (This will include a presentation about the Phased Bid Compliance Process).
- respond to questions submitted by participants when registering for the industry day.
- inform the marine industry about upcoming marine ERE bid opportunities that will be published to support OPP in 2019.

How to participate

The Industry Day will be held on Wednesday September 19, 2018 from 1:00 PM to 4:00 PM in the Pontiac room, Centre des conférences, Place du Portage, Phase 4, 140 Promenade du Portage, Gatineau, Québec. The session will also be accessible through WebEx.

All interested suppliers must [register online](#) by September 14, 2018. Following registration, suppliers will receive a confirmation of their participation and related details. Suppliers are also encouraged to submit questions and comments prior to the Industry Day using the online registration form. These questions will be addressed by the presenters during the session.
