

Questions and Answers:

1. What is the correct email address for inquiries?

atlfcontractunit@tc.gc.ca

2. Please indicate the criteria for scoring.

The contract will be awarded to the lowest bidder who meets the requirements of the Terms of Reference.

3. Please confirm that there is no restriction to page limit.

There is no limit to the number of pages.

4. Appendix A – Offer of Services. This requires a GST Number and a BIN Number. As we understand, a Business Identification Number (aka “Business Number” or “BN” as it is commonly referred to for the Canada Revenue Agency) are the numeric digits of the GST number. Please clarify what is being referred to as the GST Number and BIN Number.

BIN – Business Identification Number is used in Ontario only.

Indicate the BN number and/or GST number.

The Business Number (BN) is a numbering system that simplifies and streamlines the way businesses deal with the federal government.

5. Section 7.2.2 – “The name and detailed resume of proposed bidder resources clearly indicating the qualifications, knowledge, experience, skills and abilities in relation to the requirements”. Please provide a list of required staff roles.

The bidder is to determine the required staff based on the work requirements.

6. As presented in section 10.2, the contact number for airport security is currently out of service. As well, the email provided for Mr. Barry Moore is being returned. For this, we are requesting a current contact to discuss security and escort details.

Please Contact Mr. Moore at 902-266-7003 or barry.moore@sec.yhz.ca

7. Is information relating to well depths and average water depths available for each well? This will aid us in estimating potential purge volumes.

Refer to Amendment 001 – Questions English

8. Will previous years data be provided in excel format?

Yes, upon contract award

9. With reference to Table B-1 – Cost Table. Are labour costs and expense costs required to be identified in Items 9 and 10 or is the cost to be identified for expense only?

Please include an estimated material and labour cost combined.
