

Question and Answer 1 to 3

Q1 - Can the clearance requirement be dropped to Enhanced or 'in progress' during the bid review phase?

A1 – Yes

Q2 - The combination of 10 years' experience, bilingualism and Secret clearance will eliminate a substantial number of good investigators in this area – can you advise why all 3 are required?

A2 - These requirements are required to ensure the adequate level of experience as an expert in the field; our employees are expected to be bilingual as per the official languages act, the employees they deal with have the right to speak in the official language of their choice; enhance security clearance can be a consideration but clearance is required.

Q3 - Are you looking for only 1 resource within a single bid? We have 2-3 investigators that would meet the above or could depending on the clearance and minimum years and bilingualism?

A3 - Many investigators would be accepted as listed under one consulting firm and included in the one bid.
