## Amendment #1

### Lancaster Sound – Small Craft Harbour Feasibility Studies F2470-180025

This solicitation amendment has been raised to add Appendix A (attached herein) and make the following modifications:

#### **Delete:**

1.5.1.1 Deliver the project in accordance with the project milestone listing identified below.

Project Phase	Milestone Completion Date
• Project Plan and Schedule	October 15, 2018
• 33% Draft Report	June 12, 2019
• Community Consultation	July 17, 2019
• 66% Draft Report	September 11, 2019
• Community Consultation	October 9, 2019
• 99% Draft Report	November 13, 2019
• Final Report	December 11, 2019

2.2.3.1 Completion dates for the deliverables listed below are identified in Section 1.5:

- Project plan and schedule
- 33% Draft Report for each harbour location
- Community Consultation
- 66 % Draft Report for each harbour location

#### **3.2.3 On Site Consultation Meetings**

3.2.3.1 The consultant shall make allowance for one on site consultation meeting with each community during the Pre-Design Service phase in each of the four communities.

3.2.3.2 The consultant shall make allowance for one on site consultation meeting with each community during the Design Concept Analysis and Costing phase in each of the four communities.

3.2.3.3 The above requirements do not include the site visits required for the pre-design field investigations. The Contractor is to schedule those visits as required and advise the project authority as to when they will be in the communities. Costs for travel to undertake these investigations should be included in the contract.

**3.2.3 On Site Consultation Meetings**

3.2.3.1 The consultant shall make allowance for one initial on site consultation meeting with each community to accomplish the following:

- Develop a rapport with key community stakeholders to be further developed at the next consultations.
- Develop a good understanding of the site limitations by obtaining local and Inuit knowledge of the site conditions and land use.
- Listen to and consider the opinions of key community members and stakeholders.
- Workshop ideas to provide a good understanding of the perspectives and needs of the communities and the various users of the harbour.

3.2.3.2 The consultant shall make allowance for one on site consultation meeting with each community during the Pre-Design Service phase in each of the four communities.

3.2.3.3 The consultant shall make allowance for one on site consultation meeting with each community during the Design Concept Analysis and Costing phase in each of the four communities.
