AMENDMENT 001

This amendment is being raised to:

- A. respond to questions and;
- B. revise appendix 1 - price form.

for solicitation 5P201-18-0132/A. Another amendment will follow up to post an addendum.

A. QUESTIONS AND ANSWERS

- Question 1** The tender form mentions "Trail Realignment" in the price breakdown – can you please clarify where this is?
- Answer 1** It is located by Parks Canada, not part of this contract. The price breakdown will be revised accordingly.
- Question 2** Pollinator Seed Mix and Topsoil is a line item. I can see where there is sodding, but not pollinator seed. Can you please clarify?
- Answer 2** There is no sodding on this contract. Area noted on L2 "Landscape Restoration" is to receive pollinator seed mix and planting as shown on L4. Will include the pollinator seed mix in an addendum.
- Question 3** To confirm, is the Deciduous Shrub Planting to include the Serviceberry and Dogwood shrubs?
- Answer 3** The Deciduous Shrub Planting is to include Dogwoods on L4
- Question 4** To confirm, is the Deciduous Tree Planting to include the Maple and Cedar trees?
- Answer 4** The Deciduous Tree Planting is to include Maples on L4
- Question 5** The tender form mentions "Evergreen Tree Planting" in the price breakdown – can you please clarify where/which plants these are?
- Answer 5** These are Cedars as evergreen shrubs on L4.
- Question 6** The tender form mentions "Multi-Stem Planting" in the price breakdown – can you please clarify where/which plants these are?
- Answer 6** Multi-Stem Planting refer to Serviceberry on L4
- Question 7** The tender form mentions "Asphalt Paving" in the price breakdown. As far as I can tell, the most asphalt work in this project is removing about 150 sq ft asphalt paving near the existing parking lot. Can you please clarify what cost we would put here?
- Answer 7** The asphalt shown as removal on L1 is the only asphalt work in this contract. Line item on tender form should have read Asphalt Paving Removal.
