ANNEX A-1

Addendum 002 is being issued to answer to the following question.

Question no. 1:

Concerning 3 years of experience, is it a firm obligation or 3 year experience in the field of construction could be an asset?

Answer no.1:

(Reference: Appendix D-Technical Evaluation Criteria, Mandatory Criteria, no.1)

The tenderer must have minimum three consecutive years of experience, within the last ten years, in operating and maintaining certified airports in Canada. This is a mandatory criterion to meet. The construction field is not an equivalence and cannot be considered admissible.
