AMENDMENT 3

This amendment is issued in response to the following questions.

Question 1

During the walk through it was indicated that there was nothing to be done on the pool deck but according to the specs there are daily tasks. Which one should we bid on?

Answer: No. Pool area not to be cleaned by contractors.

Question 2

It was indicated that the track in the gym only needed to be swept as it is always indoor shoes. Is this correct?

Answer: Swept and mopped as required.

Question 3

It was indicated that we only clean the office sections in the Hangers. However, the tender talks about cleaning the cement floors. Which one is correct?

Answer: Do not clean workshop areas.

Question 4

Is there a map of all the different maps?

Answer: No.

Question 5

Is there a layout of the buildings?

Answer: Yes, please see attached.

Question 6

The tender provides an estimate of the cost of consumable supplies if the yearly cost is more than what the contract project is there a way to recoup the overage?

Answer: No.

Question 7

The tender document states that the gym is to be cleaned 7 days per week. However, during the walkthrough, we were told 5 days is what is currently being provided. Can you please provide some clarification.

Answer: 7 days as stated in contract.

Question 8:

The tender talks about the cadet areas. I do not recall being shown any cadet areas, are they actually included?

Answer: The only area that the cadets use in summer is the AMU and all bidders were shown area at the time of the site visit.

Question 9:

The specs indicate snow is to be removed by 730am, does this include Saturday, Sundays and Holidays for all buildings or just the ones that are opened during those days.

Answer: Just the ones open during that time.

Question 10

3.14.7- says clean exterior of all ducts, lights, pipes etc.- to what height ?

Answer: High cleaning up to 10 feet.

Question 11

Buildings that require 7 day per week cleaning are they required to be cleaned on statutory holidays?

Answer: No

Question 12:

Section 3.1.4.2.2 – Would you please confirm that using acid weekly to clean/descale urinals is acceptable. 4. 14 Wing is a Greenwood

Answer: No acid is to be used at 14 wing Greenwood, base has gone completely GREEN, required to use cleaning products that are environmental green seal.

Question 13:

Section 3.1.4.3.4 – Would you confirm the number of coats of wax we will be required to apply on all resilient floor coverings for the one time included in the contract price and for other times as requested?

Answer: 2 coats

Question 14:

Section 3.1.4.7 – High Fixtures... Would you please confirm the height for ducts and lights and if a scissor lift is required.

Answer: Scissor lift not required.

Question 15:

Section 3.2.4.14 – Would you please advise who supplies ice melt for sidewalks, etc. and where the ice melt is kept. It also states that ice melt is used on the sidewalks 3m away from entrance ways. What length of sidewalks are we expected to clear.

Answer: Roads and Grounds, all buildings have a yellow bin that is filled as required.

Question 16:

Section 3.4.1.3 – Office Space – Would you please advise if the space provides internet? Where we store paper products etc, are these lockable areas.

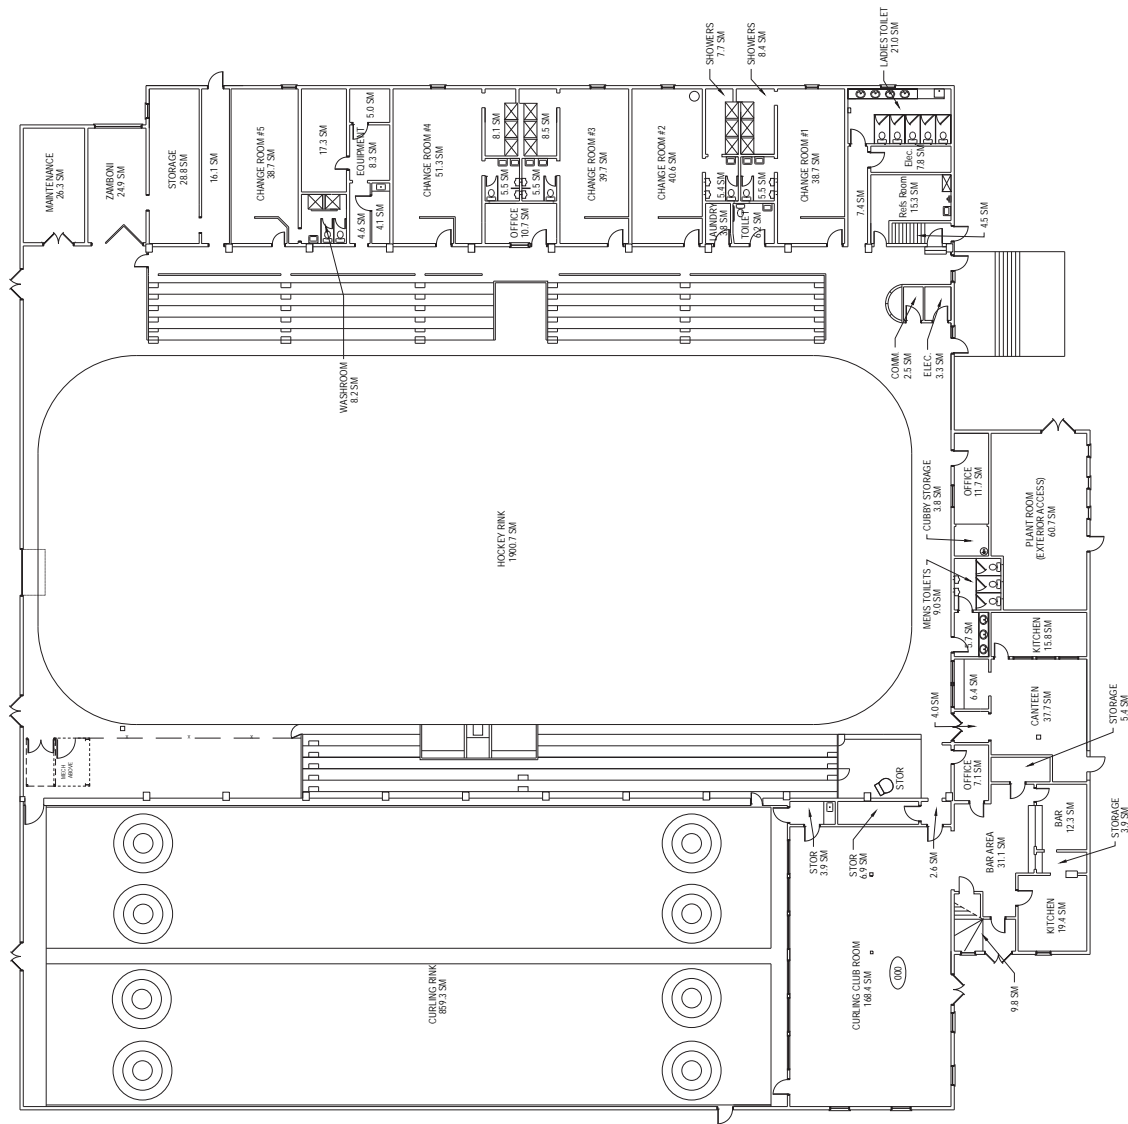

Answer: No internet provided. There is a lockable cleaning room in each building.

Question 17:

What is the estimated number of rolls of paper towels used in the gym on a daily basis?

Answer: 20 cases of paper towel, 6 per box, is used on a monthly basis.

All other terms and conditions remain unchanged. No further questions will be addressed.
