

IDEaS Sandbox 2018-1
Questions and Answers: 1
September 6, 2018

Question 1:

Regarding Innovation for Defence Excellence and Security Program (IDEaS), Sandbox RFI 2018-1, does this program only allow for Canadian entities to participate, and does not allow foreign companies?

Answer 1:

No. Sandboxes are not exclusively restricted to Canadian entities; however, Canadian entities will be given priority when DND selects Participants to test and demonstrate their solutions to published challenges.

Question 2:

Does the solution have to be made in Canada to be selected for Sandboxes? Or can foreign products/solutions be eligible?

Answer 2:

No. Sandboxes are not exclusively restricted to made in Canada products/solutions; however, Canadian content will be given priority when DND selects Participants to test and demonstrate their solutions to published challenges.

Question 3:

Are there restrictions to a non-Canadian developer in applying or participating?

Answer 3:

Please refer to answer 1.
