Amendment 004

Amendment 004 is being issued to address the following Questions:

Question 1) I still don't understand about the headrest. Would the style of the attached be acceptable?

Answer 1) Yes this style of headrest would be acceptable as long as it's a fully adjustable headrest – Pivots in/out and adjusts up/down.

Question 2) Why do they want 3" castors? Is this a weight thing or a surface thing? 2" castors can hold 500+ lbs and are much easier to procure. I don't understand—please advise.

Answer 2) 3" casters create less resistance when rolling and are more durable and last longer. We will accept a 2 ½ " caster.

All other terms and conditions remain the same
