This Solicitation Amendment 002 is raised to provide responses to additional question(s) received.

All other terms and conditions remain unchanged.

Q1.) For Section 3.2.2 Firm Experience: Selected Projects, we understand projects showcased are to be categorized into Design (3.2.2.1), Process (3.2.2.2), and Implementation (3.2.2.1). For Zone B, we are to provide "A brief description of three significant projects of which one is new (<\$15M), one is rehabilitation (<\$5M), and one is a renovation (<\$1M)."

Do all projects we feature need to fall under one of these categories (new, rehab, reno)? Or is it that, as long as we feature at least one project for each category, then other projects featured under Design, Process, and Implementation don't need to fall under new, rehab, and reno?

A1.) In the section for Selected Projects 3.2.2 - 3 significant projects are to be provided, one project for each of the 3 categories, each of the 3 projects selected is to include info on Design, Process and Implementation.

End of Solicitation Amendment 002.
