**THIS SOLICITATION AMENDMENT IS RAISED TO RESPOND TO QUESTIONS AND REVISE THE SOLICITATION**

- Q7 Re: Page 8 of RFP, will TC / PSPC be having a bidder’s conference call?
- A7 Please refer to Solicitation Amendment 002 published 7 September 2018.
- Q8 Is Travel and accommodation included within the \$100K or \$2.5M budget limit?
- A8 The \$100K budget for the interim contract(s) does not include travel and living costs. All travel will be reimbursed in accordance with the National Joint Council Travel Directive detailed in the Annex B, Basis of Payment, article 3. It is unclear whether travel will be required for the final contract, valued at \$2.5M. If required, the costs will be included in the \$2.5M budget. See below.
- Q9 How does the Government of Canada manage travel time for contractors? Is it based on their individual hourly rate or is it to be conducted at no charge to the client?
- A9 No travel time will be paid during the evaluation process; however, Canada will accept up to 50% of the hourly rate for travel time if approved in advance by the Technical Authority prior to travel. See below.
