Description of Work:

Canadian Heritage's (PCH) Integrated Business Solutions Directorate (IBSD) within the Chief Information Officer Branch (CIOB) is responsible for providing applications development and support of all client server and WEB base information systems deployed within PCH.

The resources as identified in this solicitation will assist Canadian Heritage in a variety of information technology project activities and to establish an Enterprise Architectural discipline, methods, development and tools which will support PCH Strategic IT investment Plan and to support the delivery of effective implementation solution related to MS Dynamics CRM platform enterprise application services to PCH and other partners. The resources will be assigned to various tasks outlined in the Statement of Work (SOW) of the solicitation.

There are a number of IM/IT projects planned or in progress within PCH for which the Small Applications Development (SAD) unit will be required to provide MS Dynamics CRM services. Projects include but not limited to Email Transformation Initiative (ETI), applications modernization, GCDocs, Data Centre Consolidation (DCC), GCCase migrations, internal CRM application upgrades, Canadian Heritage Online System (CHOS), and Grants and Contributions modernization.

- Bidders must submit a bid for all resource categories
- The work is currently not being performed by a contracted resource

Security Requirement:	Common PS SRCL #06 applies
