SI05 BID RESULTS

1. The responsive bid carrying the lowest price will be recommended for contract award.
2. CSC will send an official letter by email to unsuccessful bidders to inform them of the name of the winning bidder as well as the total contract value.

SI06 INSUFFICIENT FUNDING

1. In the event that the lowest compliant bid exceeds the amount of funding allocated by Canada for the Work:
 - a) by 15% or less, Canada in its sole discretion may:
 - i. cancel the solicitation; or
 - ii. obtain additional funding and, subject to the provisions of GI10 of R2710T, award the Contract to the Bidder submitting the lowest compliant bid; and/or
 - iii. negotiate a reduction in the bid price and/or scope of work with the Bidder submitting the lowest compliant bid.
 - b) by more than 15%, Canada in its sole discretion may:
 - i. cancel the solicitation; or
 - ii. obtain additional funding and subject, to the provisions of GI10 of R2710T award the Contract to the Bidder submitting the lowest compliant bid; and/or
 - iii. revise the scope of work accordingly and invite Bidders who submitted a compliant bid to the initial invitation to tender to resubmit a bid.
2. If Canada decides to enter into negotiations or request that compliant bidders resubmit a bid as per paragraph 1.a) iii. or 1. b) iii., bidders must use the same subcontractors and suppliers as for their initial offer.
3. If Canada decides to negotiate a reduction in the bid price as per paragraph 1.a) iii. and an agreement satisfactory to Canada cannot be reached, Canada will exercise option 1. a) i. or 1. a) ii.

SI07 BID VALIDITY PERIOD

1. Canada reserves the right to seek an extension to the bid validity period prescribed in BA04 of the Bid and Acceptance Form. Upon notification in writing from Canada, Bidders must have the option to either accept or reject the proposed extension.
2. If the extension referred to in paragraph 1. of SI07 is accepted, in writing, by all those who submitted bids, then Canada will continue immediately with the evaluation of the bids and its approvals processes.
3. If the extension referred to in paragraph 1. of SI07 is not accepted in writing by all those who submitted bids then Canada will, at its sole discretion, either
 - a. continue to evaluate the bids of those who have accepted the proposed extension and seek the necessary approvals; or
 - b. cancel the invitation to tender.
4. The provisions expressed herein do not in any manner limit Canada's rights in law or under **GI11 of R2710T**.

SI08 CONSTRUCTION DOCUMENTS

The successful Contractor will be provided with one electronic or paper copy of the sealed and signed drawings, the specifications and the amendments upon acceptance of the offer. Obtaining more copies must be the responsibility of the Contractor including costs.

The Contractor must check the existing building dimensions before starting work and ordering any materials. The Contractor must report discrepancies affecting the work shown on the drawings to the CSC Project Manager for clarification and final decision. It is the responsibility of the Contractor to visit the site personally to verify or obtain dimensions. Any dimensions given are approximate and CSC assumes no responsibility for the accuracy of these dimensions.

SI09 WORKERS COMPENSATION BOARD AND SAFETY PROGRAM

The recommended Bidder must provide to the Contracting Authority, prior to Contract Award:

- a) a Workers Compensation Board letter of good standing, also listing covered Directors, Principals, Proprietor(s), or Partners who will be or who are anticipated to be present on the work site(s); and
- b) a Certificate of Recognition (COR) or Registered Safety plan (RSP) acceptable to the Authority Having Jurisdiction (AHJ). A health and safety policy and program, as required by the respective provincial/territorial Occupational Health and Safety Act, will be acceptable lieu of a COR or RSP. If none is required by law, a copy of the health and safety policy and program that has been sent to the AHJ for review will also be acceptable, provided that the recommended Bidder certifies that it has been sent to the AHJ.

The recommended Bidder must deliver all of the above documents to the Contracting Authority on or before the date stated (usually 3 to 5 days after notification) by the Contracting Authority. Failure to comply will result in a breach of promise, at which time the Contracting Authority will be free to approach the next lowest responsive Bidder.

SUPPLEMENTARY CONDITIONS (SC)

SC01 INSTITUTIONAL ACCESS REQUIREMENTS

1. NIL security screening required as there is no access to sensitive information or assets. Contractor personnel will be escorted at all times by Correctional Service Canada personnel or those authorized by CSC on its behalf. CSC has developed very stringent internal policies to ensure that the security of institutional operations is not compromised.
2. Contractor personnel must adhere to institutional requirements for the conduct of searches by Correctional Service Canada prior to admittance to the institution/site. Correctional Service Canada reserves the right to deny access to any institution/site or part thereof of any Contractor personnel, at any time.
3. Contractor personnel must provide a recent picture identification, such as a provincial driver`s license upon entering the Institution. No person will be admitted inside the Institution without a valid proof of identification.

SC02 INSURANCE TERMS

1. Insurance Contracts
 - (a) The Contractor must, at the Contractor's expense, obtain and maintain insurance contracts in accordance with the requirements of the Certificate of Insurance. Coverage must be placed with an Insurer licensed to carry out business in Canada.
 - (b) Compliance with the insurance requirements does not release the Contractor from or reduce its liability under the Contract. The Contractor is responsible for deciding if additional insurance coverage is necessary to fulfill its obligation under the Contract and to ensure compliance with any applicable law. Any additional insurance coverage is at the Contractor's expense, and for its own benefit and protection.
2. Period of Insurance
 - (a) The policies required in the Certificate of Insurance must be in force from the date of contract award and be maintained throughout the duration of the Contract.
 - (b) The Contractor must be responsible to provide and maintain coverage for Products/Completed Operations hazards on its Commercial General Liability insurance policy, for a period of six (6) years beyond the date of the Certificate of Substantial Performance.
3. Proof of Insurance
 - (a) Before commencement of the Work, and no later than thirty (30) days after acceptance of its bid, the Contractor must deposit with Canada a Certificate of Insurance on the form attached herein.
 - (b) Upon request by Canada, the Contractor must provide originals or certified true copies of all contracts of insurance maintained by the Contractor pursuant to the Certificate of Insurance.
4. Insurance Proceeds

In the event of a claim, the Contractor must, without delay, do such things and execute such documents as are necessary to effect payment of the proceeds.
5. Deductible

The payment of monies up to the deductible amount made in satisfaction of a claim must be borne by the Contractor.

SC03 COMPLIANCE WITH APPLICABLE LAWS:

The Contractor must comply with all laws, regulations rules instructions and directives applicable to the performance of the Work or any part thereof in force on the site where the Work is to be performed. The Contractor must also comply with all laws, regulations, rules, instructions and directives applicable to the agents and servants of the Crown. The Contractor must also require compliance therewith by all of its subcontractors. Evidence of compliance with such laws, regulations and rules must be furnished by the Contractor to the Contracting Authority at such times as the Contracting Authority may reasonable request.

Unless otherwise provided in the contract, the Contractor must obtain all permits and hold all certificates and licenses required for the performance of the Work.

Details on existing CSC policies can be found at www.csc-scc.gc.ca or any other CSC web page designated for such purpose.

SC04 WORKERS COMPENSATION

It is mandatory that every Contractor contracted for work must have an account with the Provincial Workers Compensation Board/Commission, and coverage shall be extended to cover all employees.

SC05 TUBERCULOSIS TESTING:

It is a condition of this contract that the Contractor or any employees of the Contractor who require entry into a Correctional Service of Canada Institution to fulfil the conditions of the contract may, at the sole discretion of the Warden, be required to provide proof of and results of a recent tuberculin test for the purpose of determining their TB infection status.

Failure to provide proof of and results of a tuberculin test may result in the termination of the contract.

All costs related to such testing will be at the sole expense of the Contractor.

SC06 INFORMATION GUIDE FOR CONTRACTORS

Prior to the commencement of any work, the Contractor certifies that its employees, or employees of its subcontractors, working under contract for CSC, will complete the applicable Module(s) and retain the signed checklist(s) from the CSC Information Guide for Contractors" website: www.bit.do/CSC-EN.

SC07 CLOSURE OF GOVERNMENT OFFICES

Contractor personnel are employees of the Contractor and are paid by the Contractor on the basis of services rendered. Where the Contractor or the Contractor's employees are providing services on government premises pursuant to this Contract and the said premises become non accessible due to evacuation or closure of government offices, and consequently no Work is being performed as a result of the closure, Canada will not be liable for payment to the Contractor for the period of closure.

Contractors working at CSC sites should be aware that they may be faced with delay or refusal of entry to certain areas at certain times even if prior arrangements for access may have been made. Contractors are advised to call in advance of travel to ensure that planned access is still available.

SC08 CONTRACTOR'S PERFORMANCE EVALUATION REPORT

CSC will evaluate the Contractor's performance during the execution of the work and when it is completed using PWGSC – TPSGC form 2913 "Contractor Performance Evaluation Report Form (CPEPF)". This evaluation will be based on the quality of the execution of the work, timeliness, management of on-site health and safety and the general management of the Contractor's work in relation to the effort required by the Department's employees in the administration of the contract. A completed performance evaluation report will be sent to the Contractor when the work has been completed for all projects.

PAGE 2 of 2

General

The insurance policies required on page 1 of the Certificate of Insurance must be in force and must include the insurance coverage listed under the corresponding type of insurance on this page.

The policies must insure the Contractor and must include Her Majesty the Queen in Right of Canada as represented by the Minister of Public Safety Canada as an additional Insured.

The insurance policies must be endorsed to provide Canada with not less than thirty (30) days notice in writing in advance of a cancellation of insurance or any reduction in coverage.

Without increasing the limit of liability, the policies must protect all insured parties to the full extent of coverage provided. Further, the policies must apply to each Insured in the same manner and to the same extent as if a separate policy had been issued to each.

Commercial General Liability.

The insurance coverage provided must not be substantially less than that provided by the latest edition of IBC form 2100.

The policy must either include or be endorsed to include coverage for the following exposures or hazards if the Work is subject thereto:

- a) blasting;
- b) pile driving and caisson work;
- c) underpinning;
- d) removal or weakening of support of any structure or land whether such support be natural or otherwise if the work is performed by the insured contractor.

The policy must have the following minimum limits:

- a) \$5,000,000 Each Occurrence Limit;
- b) \$10,000,000 General Aggregate Limit per policy year if the policy contains a General Aggregate; and
- c) \$5,000,000 Products/Completed Operations Aggregate Limit.

Umbrella or excess liability insurance may be used to achieve the required limits.

Builder's Risk / Installation Floater.

The insurance coverage provided must not be less than that provided by the latest edition of IBC forms 4042 and 4047.

The policy must permit use and occupancy of any of the projects, or any part thereof, where such use and occupancy is for the purposes for which a project is intended upon completion.

The policy may exclude or be endorsed to exclude coverage for loss or damage caused by asbestos, fungi or spores, cyber and terrorism.

The policy must have a limit that is **not less than the sum of the contract value** plus the declared value (if any) set forth in the contract documents of all material and equipment supplied by Canada at the site of the project to be incorporated into and form part of the finished work. If the value of the work is changed, the policy must be changed to reflect the revised contract value.

The policy must provide that the proceeds thereof are payable to Canada or as Canada may direct in accordance with GC10.2, "Insurance Proceeds" (<https://buyandsell.gc.ca/policy-and-guidelines/standards-acquisition-clauses-and-conditions-manual/5/R/R2900D/2>).

Contractors Pollution Liability

The policy must have a limit usual for a contract of this nature, but no less than \$1,000,000 per incident or occurrence and in the aggregate.

ANNEX B – LISTING OF SUBCONTRACTORS

- 1) In accordance with GI07 – Listing of Subcontractors and Suppliers of R2710T – General Instructions – Construction Services – Bid Security Requirements, the Bidder should provide a list of Subcontractors with his Bid.
