Drawings	
Questions	
Responses are provided below to questions received regarding Section 260500-Common Works-Electrical:	
<p>1. 1.4.3.1 – Stamped Engineered drawings</p> <p>Question: We are provided engineered drawings with this tender. What is expected here beyond what we already have?</p> <p>Response: Manufacturer’s specifications and cut sheets should be provided by the Contractor.</p> <p>2. 1.4.6 – Manufacturer’s Field Reports</p> <p>3. 1.7.2 – Manufacturer’s Engineer to supervise start-up</p> <p>4. 3.7.5 – Manufacturer’s Field Services</p> <p>Question: Are these above three items relevant to this tender? The cost implications will be substantial for this size of project.</p> <p>Response: As these items do add significant cost, in Item 1.4.6 substitute “Manufacturer’s” with “Contractor’s” field reports; remove Item 1.7.2; and in Item 3.7.5, replace Manufacturer’s field services with Contractor’s field services.</p>
