REQUEST FOR QUOTATION AMENDMENT NO. 002

Request for Quotation Amendment no. 002 is raised for the following reason:

- To address a question on the base specification.

Question 1:

The specs are for custom built workstation that has to be assembled from components from various vendors (named by brand).

However the bid is asking for an entire PC to be certified by CSA/cUL, this is not possible since each custom built PC is configured with various components.

Would you accept CSA/cUL certifications for each component quoted in these units instead?

Answer 1:

No, the entire system has to be CSA/cUL certified.

Question 2:

Would the crown please consider extending the amount of time provided to deliver a test unit from 48 hours to 10 working days?

Answer 2:

Canada will allow ten (10) federal government working days for a delivery of test unit.

ALL OTHER TERMS AND CONDITIONS OF THE REQUEST FOR QUOTATION (RFQ) REMAIN UNCHANGED.
