 - 2) To extend the bid closing date**
-

1) Introduce questions and answers received to date to the invitation to tender

Add:

Question no.	Question	Answer
10	Request an extension for completion of the electrical portion of the Haida refit beyond November 26th. The two electrical subcontractors that are providing quotes to us for this scope of work have indicated that they would likely not be able to complete the work within the allotted timeframe.	As stated in Amend 003 the work period completion date is extended to November 23, 2018.
11	Request a closing date extension (a few days up to a week) to allow for additional time to put together a compete and compliant bid package. The turn around time on this bid package from date of issue was unusually short and we're forecasting difficulty getting all of our required subcontractor pricing and labour estimating completed in time for current closing.	The Bid closing date is extended to Oct 2, 2018.
12	Is pricing for hoarding/containment of 100% capture of grit and water (i.e. full hoarding in of vessel) should be included in bidder's pricing for blasting/painting scope of work for this refit?	The Bidder's price for containment, collection and disposal of blasting grit and debris, and painting, shall be in accordance with all environmental regulations and include all costs associated with that work.
