1. Category Selection

Design Upgrade Rule:

The IU may exercise an option to upgrade products up to 20% of each Category product total before Applicable Taxes after contract award.

The Design Upgrade amount is used at the discretion of the Project Authority (PA). Within ten business days of the contract award, the PA will provide the Contractor with a written notice of Canada's Design Upgrade choices for each of the product(s) to be upgraded. The Contractor will provide the pricing of the upgraded product(s) to a maximum of 20% of each Category Contract Price of Table 8. The Contracting Authority will issue an amendment to the contract with the Design Upgrades and pricing.

The Supplier certifies that all the Design Upgraded products offered will conform to all specifications and meet the testing requirements detailed in the Specifications of the Supply Arrangement.

Design Upgrade: is the process of replacing a product with a more innovative or enhanced version of the same product.

The requirement includes the following category (ies) of work:

☒ Category 6 - Support Space – Collaborative Furniture

RULE 1: Category 6 can be further subdivided by space or like item in order to increase or allow competition. Space is defined as a location available for a particular purpose such as a meeting room space or a collaborative space. Like items are defined as products with similar design and construction.

RULE 2: Clients may exercise an option to upgrade products up to 15% of the Category 6 product total before applicable taxes after contract award for Category 6 products.

The Design Upgrade amount is used at the discretion of the Project Authority (PA). Within ten business days of the contract award, the PA will provide the Contractor with a written notice of Canada's Design Upgrade choices for each of the product(s) to be upgraded in Category 6, Annex A. The Contractor will provide the pricing of the upgraded product(s) to a maximum of 15% of Category 6 Product Total of Table 9 at Article 1. The Contracting Authority will issue an amendment to the contract with the Design Upgrades and pricing.

The Supplier certifies that all the Design Upgraded products offered will conform to all specifications and meet the testing requirements detailed in the Specifications of the Supply Arrangement.

Design Upgrade: is the process of replacing a product with a more innovative or enhanced version of the same product/series.

☐ Category 6 Non-SA (NSA) products forming part of this requirement, refer to Annex D of this RFB (approval by AB required before adding to requirement)
