This solicitation amendment is hereby issued to address questions posed by supplier.

Questions and Answers

The following are the bidder's questions and Canada's responses to questions received via e-mail.

Reference	Reference description	Bidder Questions	Canada's Responses
RFP article 3.3.1	3.3.1 Vessel Construction Experience The bid must provide objective evidence that the bidder has proven capability in the construction of vessels of the same size, type and complexity as the vessel(s) that make up the requirement of this bid solicitation, by providing detailed information of a minimum of 2 boats built within the last 8 years. Prototype hulls will not be considered as fulfilling this requirement.	Can you modify an existing vessel with an inboard sterndrive to an outboard configuration?	No
RFP article 13.2	The Hull is to be a minimum 23 to 24 degree dead rise "V" style monohull with a reverse chine flat and hull bottom to incorporate a spray strake on the bottom, one per side approximately 2/3 out from keel, which should run out to the stem.	Can you allow for a deadrise of 20 degrees?	Yes
RFP article 10.1	The cabin length must be not more than 70% the interior length of the hull. 2. There must be a minimum of 1.5 metres of stern deck space between the transom and the cabin.	Is the Cuddy included in the length of the cabin or is this just for the main deck "pilot" cabin?	Yes the cuddy is included in the 70%.
