This amendment has been raised to add the Bidder's Site Meeting Attendance Sheet and to respond to the following question:

Question 1: Will weekend work be required when removing the old Air Handling Unit (AHU) and lifting the new unit into place?

Response 1: Weekend may be used however it is not a requirement. Any work that will involve utilizing a large portion of the institutions parking must be coordinated in advance, parking at the institution is at a premium.

Question 2: Is there an assigned BMS contractor for the site?

Response 2: There is no specific BMS contractor assigned for the site.

Information: When disposing of the existing unit all refrigerant must be removed prior to disposal.

All other terms and conditions remain the same.
