This amendment is being raised to extend the solicitation closing date, rescind Amendment 001, distribute questions and answers and amend the tender package.

The closing date for tender 5P420-18-0345/A is extended from October 03, 2018 to **October 04, 2018 at 2:00PM Mountain Daylight Time (MDT)**.

B) AMENDMENT 001

Amendment 001 (e-18-0257_amend_1.pdf) is hereby rescinded and no longer forms part of the solicitation.

C) QUESTIONS & ANSWERS

Q1: December 31st seems to be too late in the season to place material in unfrozen conditions and to achieve the required densities.

A1: It is the contractor's responsibility to complete the work this year before weather conditions make that impossible.

Q2: The specification for Granular Pit Run appears to be relatively loose and could lead to potential of unstable material. Can some clarification be required if this is the intent?

A2: A revised specification is attached to this addendum.
