QUESTION AND ANSWER #1

Question #1:

Can you please let us know if this opportunity is an open bid, or one that falls under an existing standing offer.

Answer #1:

This Request for Proposal is an open bidding process.

Question #2:

We are wondering whether the invitation is limited to businesses that have an office in Canada. In the context of the CETA free trade agreement, we are wondering whether this bid is eligible under the agreement.

The second question pertains to the anticipated deliverables: the Request talks about a report, so you don't want a deliverable that would be only a dashboard, but an actual detailed analysis, right?

Answer #2:

This Request for Proposal is an open process and is subject to CETA. The region of opportunity is world-wide.

The requested final deliverable (please note, there are a number of deliverables during the contract period), is a report that should be no more than 25 to 30 pages. You may wish to include a dashboard as part of the final report, but the requirement is a detailed analysis as per the tasks set out in the statement of work.

Question #3:

Would you be able to tell us what the maximum budget is that has been allocated to this study?

Answer #3:

There is no budget determined at this time.
