**Amendment 006 has been raised to answer the following question:**

**Question 8:**

On the Annex B Pricing Table 2: Optional Requirement:

We understand there is a five year window to purchase 3 additional systems. Yet it states "Option Year One", and it states under the description "delivered by 31 March 2019"

Is this a typo? Should it read delivered by 31 March 2024? Also what is Option Year 1 referring to if the option is 5 years?

**Answer 8:**

Regarding optional deliveries, as detailed in Annex A, the "option to purchase additional packagers will be valid until 31 March 2024."

Delete: Table 2 in its entirety, replace with:

**Table 2: Optional Requirement:**

Item	Description	Number of Units for Evaluation Purposes	Unit of Issue	Firm Unit Price	Extended Price (Number of Units X Firm Unit Price)
1	Autopackagers as detailed in Annex A	3	Each	\$	\$ Number of Units X Firm Unit Price
2	Installation of Autopackagers including equipment/system calibration as detailed in Annex A	3	Each	\$	\$ Number of Units X Firm Unit Price
	Evaluated Price				Sum

**Question 9:**

The warranty and maintenance is required after Year 5. Should we specify an annual cost per system to extend the warranty and maintenance beyond the initial 5 year period? If so should we include this underneath the pricing table?

**Answer 9:**

CSC may require extension of warranty and maintenance beyond the initial 5-year period but is not requesting pricing in the RFP.

**Question 10:**

We request for two weeks of extension on the current closing date.

**Answer 10:**

CSC agrees to a 2-week extension of the current closing date, to 24 October 2018 at 2pm EDT.

**All other terms and conditions of the RFP remain unchanged.**
