Amendment 006

This amendment is raised to provide additional information related to the CHER Project.

Canada is releasing the preliminary proposed bundle strategy and security level required for the 18 platforms of the CHER project, which were developed after internal discussion and review of the responses received from the Questions to Industry. Options were analyzed based on criteria which sought to balance competition with efficiency.

Canada is releasing the security classification guides for the 8 bundles. If you require sponsoring to obtain your security level please contact TPSGC.PADVIMPLHS-APIVMPLDHS.PWGSC@tpsgc-pwgsc.gc.ca. The release of the first classified document is scheduled for FY 2020/2021.

You are invited to provide any comments or additional information to TPSGC.PADVIMPLHS-APIVMPLDHS.PWGSC@tpsgc-pwgsc.gc.ca.

PSPC will not be bound by anything stated herein and reserves the right to change at any time, any or all parts of the requirement, as it deems necessary. PSPC also reserves the right to revise its procurement approach, as it considers appropriate, either based upon information submitted in response to this RFI or for any other reason it deems appropriate.
