**ADDENDUM NO. 3**

**Subject: ITT Invitation to Tender No. FP802-180046**

**Title: Greening of Government Operations, South Base Buoy Maintenance Facility**

**Location: St. John's, Newfoundland and Labrador**

**Closing Date: Thursday, October 11, 2018 @ 2:00 PM (EDT, Ottawa time)**

Dear Sir/Madam:

Further to the above-mentioned Invitation to Tender, this **Addendum #3** is to advise potential bidders of the following changes to this tender call and/or answers to Bidders questions received to date:

**QUESTIONS and ANSWERS**

**1. Question from Bidder:**

Light fixture type G and type I, are listed on the fixture schedule but do not appear anywhere on the light layout drawing.

There are also fixtures on the light layout drawing that are not labelled, no fixture type listed. Please provide clarification regarding these fixture types so accurate take off and pricing can be completed.

**DFO Answer 01:**

G type was clarified in the last addendum #2.

The I type are noted everywhere on the drawing. Perhaps you are mistaking the "I" or "-" ; pending on the layout of the light as non-labelled.

---

All other terms and conditions remain unchanged.

Yours truly,
