This obligation to indemnify relative to alleged moral rights infringement(s) is in addition to the Consultant's other obligations to indemnify and save harmless which are set out in the Commission's General/Supplementary Conditions.

2.0 REQUEST FOR STANDING OFFER AGREEMENT

2.1 INTRODUCTION

One method of supply used by the NCC to satisfy the requirements of identified internal users is to arrange a Standing Offer Agreement (SOA) to provide goods, services or both to the NCC during a specified period. The identified internal users to be served may then be a delegated purchasing authority and may access the source of supply directly, as and when requested, by issuing purchase orders detailing the exact quantities of goods or services they wish to order from the Offeror at a particular time during the effective period of the Offeror's offer and in accordance with the predetermined conditions. This method of supply is particularly useful in acquiring frequently ordered commercially and non-commercially available goods or services when the total volume or value of goods or level of services that may be required by one or more identified users can be estimated beforehand, but it is not possible at the outset to identify the exact requirements for any given user at a specific time in the future.

The NCC foresees a potential need to retain the services of firms to provide **REAL ESTATE BROKERAGE SERVICES ON THE QUEBEC SIDE OF THE NATIONAL CAPITAL REGION**, as more particularly stated herein and in the attached; you are hereby invited to provide to the NCC a Standing Offer. If you wish to submit an offer you are required to do so, on the enclosed forms and format. Please be advised that the quantity of goods and/or services and the estimated expenditure specified in the attached are only an approximation of requirements given in good faith. The making of a standing offer by the Offeror shall not constitute an agreement by the NCC to order any or all of the said goods and/or services. The NCC may make one or several purchase orders against a Standing Offer, each such purchase orders constituting an acceptance of said Standing Offer for the part of the said goods or services described in the purchase order. A request does not commit the NCC to authorize the utilization of a Standing Offer or to pay any cost incurred in the submission of offers, or cost incurred in making necessary studies for the preparation thereof, or to procure or contract for any goods or services. The NCC reserves the right to reject or authorize for utilization any offer in whole or in part, with or without further discussion or negotiation.

2.2 GENERAL PROVISIONS

The Offeror acknowledges that a Standing Offer is not a contract. The Offeror offers to sell or provide and deliver to the NCC, upon the terms and conditions hereinafter set out, the goods and/or services detailed herein and at the prices listed herein or on the pricing basis set out herein, AS AND WHEN REQUESTED by authorized NCC users such goods and/or services the authorized user orders, in accordance with the following provisions.

It is understood and agreed that:

- a purchase order against a Standing Offer shall form a contract only for those goods or services, or both, which have been ordered, provided always that such a purchase order is made in accordance with the provisions of the Standing Offer;
- the issue and distribution of the authorization to use any resulting Standing Offer does not oblige the NCC to authorize or order all or any of the goods and/or services described in the Standing Offer;
- The NCC's liability shall be limited to that which arises from purchase orders against any resulting Standing Offer made within the period specified herein;
- The NCC reserves the right to procure the specified goods and/or services by means of contracts, standing offers, or by other contracting methods.

**REQUEST FOR A STANDING OFFER (RFSO) AGREEMENT FOR REAL ESTATE BROKERAGE SERVICES ON THE QUEBEC SIDE OF THE NATIONAL CAPITAL REGION
NATIONAL CAPITAL COMMISSION (NCC) TENDER FILE # AL1780**

- The Offeror agrees that prices quoted herein are firm and must be valid for acceptance for 60 days from the closing date of this Request for Standing Offer (RFSO).

2.3 STANDING OFFER REQUIREMENT:

The National Capital Commission (NCC) wishes to retain the services of firms on an "as and when requested" basis under a Standing Offer Agreement.

The term proponent, used throughout this document, is defined as the entity submitting a proposal and shall mean a firm, an entity formed through a prime consultant/sub-consultant relationship, a consortium or a joint venture. Proponents shall provide all of the required services enumerated within the Statement of Work.

To ensure equal opportunities for all proponents, and to eliminate risk of conflict of interest, all proponents are advised that the National Capital Commission will not accept more than one submission per firm, whether the firm applies as a single entity, part of a joint venture, or as a sub-consulting member of the team.

2.4 PERIOD OF THE STANDING OFFER AGREEMENT:

The duration of the SOA is for a period of three (3) years from the date of award. The commission % fee proponents quote on appendix 2 will remain fixed for all three (3) years.

2.5 CALL-UP PURCHASE ORDER DOCUMENT:

The authorized "Purchase order Against a Standing Offer" document will be NCC Purchase Order # XXXXXX. The purchase order document shall specify the firm name and address, Purchase Order number, delivery date required, delivery location, description of goods or services performed quantities, unit prices, purchase order limit, and an approval signature to proceed by the authorized designated user.

2.6 CALL-UP PURCHASE ORDER LIMITATION:

The maximum all-inclusive amount payable for any one purchase order (call-up) shall be \$250,000 CDN including all fees, disbursements, sub-consultant costs and all applicable taxes.

The NCC reserves the right to request quotations from all firms who obtained SOA's and any firm that qualified technically under this Request for Proposal for any work that may be required, when the initial estimate of the work exceeds \$250,000 CDN all inclusive.

The NCC reserves the right to on occasion:

- request SOA firms to seek offer-of-services from sub-consultants / specialists other than those proposed by the SOA firms, and
- as required, consider offer-of-services from sub-consultants / specialists named by NCC.
- may be requested to use sub-consultant firms already on SOA with the NCC at which time, the sub-consultant is expected to quote using the rates of his SOA.
- to reassign individual call-ups on any SOA where the sub-consultant team does not meet NCC project manager requirements.

**REQUEST FOR A STANDING OFFER (RFSO) AGREEMENT FOR REAL ESTATE BROKERAGE SERVICES ON THE QUEBEC SIDE OF THE NATIONAL CAPITAL REGION
NATIONAL CAPITAL COMMISSION (NCC) TENDER FILE # AL1780**

Once the SOAs are in place, individual project requests for work will be handled as *purchase orders* (or *call-ups*) against the SOA. Quotations provided must be detailed, showing the name of the proponent, their hourly rate according to the SOA and the estimated number of hours that will be required to perform the work. Disbursements, fees and applicable taxes must be indicated separately.

The NCC retains the right to award concurrent and/or consecutive purchase orders to firms (i.e. purchase orders will not necessarily be awarded on a rotational basis). Projects are evaluated on a case by case basis in order to ensure that purchase orders are awarded to firms best positioned to undertake the work, be it for reasons of their specific area of expertise, their availability, their ability to meet specific project schedules and objectives, the level of security clearance required (as and when required) and/or other reasons. The NCC will do its best to ensure that the estimated expenditure of any SOA is not exceeded.

The number of purchase orders awarded by the NCC will vary annually, depending on workload and funding. Although the NCC cannot guarantee the number of purchase orders SOA firms will receive in any given year, the NCC's objective will be:

- to utilize the services of each SOA firm retained when and where possible
- to distribute overall call-up value across the list of firms holding SOAs.

Work should not proceed until NCC's Contracts has issued a purchase order number specific to that call-up.

If no extra work is authorized by the NCC Project Manager, the written quotation shall constitute the maximum amount payable under the purchase order.

2.7 ESTIMATED SOA EXPENDITURE:

The estimated expenditure for the resulting Standing Offer Agreement is \$ 450,000.00 CDN including taxes. As operational requirements become more defined, the NCC reserves the right to increase the total estimated expenditure by 10% but in no circumstance will the total estimated expenditure for the SOA be more than \$ 495,000.00 including taxes.

The NCC reserves the right to terminate the SOA of any firm that shows repeated failure to satisfactorily manage the quality, quantity, timeliness and/or respect the rates of the project, and of sub-consultants / specialists.

2.8 INVOICING:

Send the original and two (2) copies of the invoice directly to:
National Capital Commission
Accounts Payable
202- 40 Elgin St., 3rd floor
Ottawa, Ontario, K1P 1C7

Or, in an effort to promote the electronic transmission of invoices to our Accounts Payables department, the National Capital Commission is encouraging its suppliers to transmit their invoices as an attachment via e-mail to the following address payables@ncc-ccn.ca. For storage purposes it would be preferable that the file format of the attachment be saved in a .pdf format.

**REQUEST FOR A STANDING OFFER (RFSO) AGREEMENT FOR REAL ESTATE BROKERAGE SERVICES ON THE QUEBEC SIDE OF THE NATIONAL CAPITAL REGION
NATIONAL CAPITAL COMMISSION (NCC) TENDER FILE # AL1780**

To ensure prompt payment, please prepare your invoice in accordance with the prices quoted. Errors in invoicing can cause delay of payment. Submit your invoice to the address shown on the Purchase Order and clearly indicate the Purchase Order number.

Itemized invoices are to be submitted to NCC Accounts Payable at intervals of not less than 30 days, according to a schedule approved by the NCC Project Manager managing the call-up (e.g. monthly billing, billings at completion of each phase of the project, or other). Total fees (including expenses) will remain within the maximum authorized by each purchase order.

Any extras or charges above the original written quotation (offer of services) must be discussed with the NCC Project Manager and authorized by the NCC *in advance of the execution of the work*. The NCC cannot guarantee there will be compensation for extra work undertaken without prior written authorization.

For each invoice/billing submitted to NCC, SOA firms shall:

- Supply a current accounting of time-costs resulting from the SOA firm's work on the call-up, as well as all approved related project costs and sub-consultant costs;
- Clearly identify all applicable taxes, stated as separate line items on the invoice
- Clearly identify the 'call-up' contract amount, and the fee billed to date against that contract amount;
- Clearly identify the call-up number on their invoices

To ensure good project communication, it is recommended that SOA firms advise the NCC Project Manager when 75% of the purchase order costs have been incurred.

2.9 NOTIFICATION OF WITHDRAWAL OF STANDING OFFER:

In the event the Offeror wishes to withdraw their offer, they will inform the NCC with a minimum of 30 days prior written notice. Any withdrawal of the offer will not affect any purchase orders made prior to the 30 days written notification.

1. Introduction

The National Capital Commission (NCC) wishes to retain the services of a Real Estate Marketing and Sales Firm or individual representing Real Estate Marketing and Sales Firms for the marketing and sale or the transfer of real property rights for properties located in the province of Quebec, specifically in the National Capital Region (NCR).

Qualified proponents must be licensed to sell real estate in the province of Quebec, established in the business of real estate marketing and sales and be a member in good standing of the Multiple Listing Service[®] with full access to the MLS[®] where available.

The main office of qualified proponents must be located in the province of Quebec.

The NCC does not guarantee a minimum or maximum number of properties to be marketed under the standing offer agreement, as volumes are subject to fluctuation.

2. Statement of Work

Qualified proponents shall provide real estate services for the marketing and sale of various properties across the NCR. The retained proponent shall:

- a) Prepare a detailed Comparative Market Analysis (CMA) with photographs of each listing. The CMA is to contain the following information, as a minimum:
 - i) A description of the property;
 - ii) A comparative analysis of active and recently expired listings for comparable properties;
 - iii) Recent sales data for comparable properties, with a map indicating the location of these comparable properties;
 - iv) The average number of days listed to sale;
 - v) Trends indicating a buyers, sellers or balanced market, and the indicators used to confirm said trends;
 - vi) The listing history of the subject property; and:
 - vii) A recommendation on this listing and selling prices based on the proponent's analysis.
- b) Complete all fields of the listing contracts to ensure they are ready for signature by the NCC representative. All listings, accompanied by a CMA, shall be submitted to the NCC.
- c) Provide monthly status reports to the NCC. These reports must include advertising details, along with the number of showings and further recommendations.
- d) Prepare and submit all offers to the designated NCC representative. Act as the sole liaison between the NCC and all real estate firms and real estate agents for all properties assigned.

- e) Upon acceptance of an offer by the NCC, provide confirmation in writing of necessary requirements to complete the offer of purchase, including, but not limited to:
 - i) The waiver of any conditions in the offer to purchase;
 - ii) Contact information for the purchaser's solicitor or notary; and
 - iii) Further documentation or action to the support the sale transaction and to ensure prompt closing.

3. Proposal

Proposal responses are to be organized and submitted in accordance with the instructions in this section. Responses must be organized into the following sections:

- Cover letter;
- Table of contents;
- Proponent's qualifications;
- Response to the statement of work;
- Maximum fixed percentage commission.

Elaborate or unnecessarily voluminous proposals are not desired. Thus, proposals that are longer than 30 pages (double-sided) will not be evaluated. Each proponent is encouraged to take care in completely answering questions and proposal requirements outlined in Appendix 3 and avoid submitting extraneous materials that do not show how the proponent intends to meet the requirements.

Requirements for each response item are detailed below.

3.1. Cover Letter

The proponent shall submit a cover letter on the proponent's letterhead that will include the following:

- a) A description of the company or joint venture/consortium;
- b) The names of the directors;

4. Evaluation and Selection

This section describes the process the NCC will use to evaluate proposals and rank proponents for a standing offer agreement.

4.1. Evaluation Table

The Evaluation Tables provided in Appendix 1 outline all the criteria upon which each proposal will be evaluated. The criteria are based on the requirements described in this RFSO.

4.2. Evaluation Method

The NCC shall examine each proposal to determine compliance with all requirements stated in the present RFSO. A proposal must comply with all of the mandatory requirements in order to proceed to the evaluation of the rated requirements. Any proposal deemed by the NCC to be non-compliant with one or more of the mandatory requirements will be eliminated from evaluation process.

4.2.1 Mandatory Requirements

The proponent's enrolment in the OACIQ along with access to the MLS[®] system are deemed mandatory requirements for further consideration in the evaluation process. Any proposal complying with these mandatory requirements will be deemed admissible to proceed with the evaluation of the rated requirements.

4.2.2 Rated Requirements

Proposals deemed in compliance with the mandatory requirements described above shall be individually assessed by each member of the Evaluation Committee, which is composed of staff from the NCC Real Estate Transactions and Development Division. Evaluators shall evaluate and give a numerical score to each proposal in accordance with the evaluation criteria listed in the evaluation table bearing the title "Rated Requirements" included in Appendix 1 of the present document.

5. Basis for Award – Proponent Selection

Proposals that are in compliance with the mandatory requirements and obtaining a score of at least 112 points out of 140 (80%) for the technical component shall be deemed to meet the technical requirements. Fee proposals (Appendix 2) must be submitted in a separate sealed envelope, and only the envelopes accompanying proposals meeting the technical requirements shall be opened. The contract shall be awarded based on the assessment of the fee proposals and the results of the technical evaluations. The Maximum Fixed Percentage Commission submitted for evaluation as part of the proposal shall include, but not necessarily limited to, all marketing expenses, all costs incurred to fulfill all the work and requirements included in this request for standing offer, all travel and subsistence costs and all other indirect costs, including disbursements. The NCC shall retain the proposal or proposals offering the highest overall value taking into account both the technical evaluation and proposed commission. The highest overall value shall be calculated in accordance with the following weighting: 70% for the technical proposal and 30% for the Maximum Fixed Percentage Commission. The NCC is required to impose all applicable federal and provincial taxes.

6. Procedures relating to individual purchase orders and call-ups

Once the Standing Offer Agreement is in place, each request for services (individual purchase orders or call-up) shall follow the procedure outlined below.

The NCC project director shall provide the proponent a written description of the scope of services required, along with detailed project milestones and deadlines. In certain cases, the project director shall provide project terms of reference.

In response, the proponent will provide a brief written proposal along with a submission including the expected time required to complete the sale and commission details. The proposal shall demonstrate the proponent's comprehension of the scope of services required and provide the requisite details on the personnel assigned to the project, allocation of responsibilities and proposed timeline to complete the services required. The personnel assigned to the project must be drawn from the list of staff evaluated as part of the proponent's proposal in response to

Request for Standing Offer. The proponent is obligated to divulge any perceived, real or potential conflict of interest.

Upon approval of the proponent's written proposal, the NCC shall issue a purchase order in the form of a "call-up" against the standing offer agreement, and this will finalize the transaction. No services can be provided without prior confirmation of a duly completed "call-up".

The NCC reserves the right to award concurrent or consecutive purchase orders to any qualified proponent (i.e. purchase orders will not necessarily be awarded on a rotational basis). The NCC shall assess projects on a case by case basis to ensure that purchase orders are awarded to the proponent that, in the NCC's view and sole discretion, is best positioned to provide the required services, be it for reasons relating to their specific area of expertise, their availability, their ability to meet specific project deadlines and objectives and/or other reasons. The NCC reserves the right to request proposals from more than one proponent for any given call-up, and to accept any or none of the proposals received, without obligation or prejudice.

Although the NCC cannot guarantee the number of purchase orders the proponents will receive, the NCC's objectives are as follows:

- Utilize the services of all retained proponents when and where possible;
- Distribute overall call-ups among the list of proponents retained for the Standing Offer Agreement as much as possible.

7. Payment

Detailed invoices must be submitted upon completion of the required services. Total fees shall not exceed the maximum amount authorized under each purchase order. In each invoice, the proponent shall include the following information:

- The sale price for the property in question along with the agreed-upon commission;
- All applicable taxes, shown as a separate line item;
- The contract amount, for purposes of further "call-ups"; and:
- The purchase order number, clearly indicated.

Upon receiving an invoice including all of the information stated above, the NCC shall be in a position to initiate payment of the proponent's fees.
