Q7. Given that the financial bid is evaluated based on the total from 'Attachment 1 to Part 3 – Pricing Schedule', in the case that one team member is nominated for multiple roles, how is that evaluated in the financial bid as we would never charge them out in two roles at the same time?

A7. In order for us to conduct the financial evaluation, a per diem for each resource category identified in the table in Attachment 1 to Part 3 must be included. The rates should reflect the cost for a resource who meets the specific qualifications of that category as outlines in Appendix 1 to Annex A. At the time of Task Authorization issuance, the composition of the team will be determined by the Contractor and the CNSC Project Authority based on the scope of the assessment.
