AMENDMENT 002

The purpose of this amendment is to answer questions from industry, include the site visits and extend the closing date.

Question 1

For the statement of requirement "In addition, the Contractor will offer a cost-effective solution to ensuring that the existing revolving door at the RH Coats East side entrance can be included in the immediate lock-down process" is there a requirement to include a replacement for the revolving door?

Answer 1

Statistics Canada is open to the possible solution of replacing the existing door should this be the most cost-effective way to include it in our "immediate" lockdown process.
