## Amendment 2

### Janitorial Services

This amendment was raised to answer questions.

#### Questions:

1. There seems to be no section in the task authorisation for the changing of burnt lights. Please let us know where to include this item as we believe it is part of the contract. Also, can you confirm if the lights are supplied by the contractor or the base?
2. As per appendix A, section 11a "Relamping and Disposal", the section reads that we must supply material. Please verify that the supply of all lamps, bulbs, luminaires, etc. are the contractor's cost responsibility. If yes, please provide any historical replacement information including quantities and types.

#### Answers:

1. (a) Part 1 of this question: All lighting material, labour, tools and equipment must be supplied by the contractor under "Task Authorized" work.

Pricing for re-lamping is listed under "Annex B" Basis of Payment: Table 3 Item #2b for Labour and Table 3 Item #3a for Material.

Re-lamping is described in detail in the SOW:

1. Changing of expired bulbs is covered in "Annex A" SOW under the following clauses;

- a. Para 1 b) additional task authorized work;
- b. Para 2 e) vi) supervisors responsibility for expired bulbs;
- c. Para 2 f) vi) janitorial personnel responsibility for reporting of expired bulbs;
- d. Para 8 d) i) documenting labour hours for task authorized work;
- e. Para 8 i) personnel time sheets in support of task authorized work;
- f. Para 11 a) i) re-lamping and disposal; and
- g. Para 11 b) re-lamping and off-site disposal.

1. (b) Part 2 of this question: DND will not supply light bulbs, material or associated equipment to the contractor.

2. (a) Part 1 of this question has been answered. See answer 1

2. (b) Part 2 of this question asks for historical information regarding type and quantity of re-lamping materials which we do not have at our disposal, nor have we requested from the existing contractor to retain.

**All other terms and conditions of this Request For Proposal remain unchanged.**
