**Solicitation Amendment No. 002 is being issued to address the following:**

- A) Questions and Answers
- B) Amend Part 6, Section 6.4 – Term of Contract

-----

**Amendment:**

A) Questions and Answers

**Q1:** With respect to Annex "A" - *Requirement*, Section 2.3 Mandatory Specifications, Sub-Section 2.3.1 – *Boat*:  
We would like to know if a boat with 6.8 m (22.3 ft.) length series aluminum and a width of 2.6 m (8 '2 ' ') would be acceptable.

**A1:** Yes, as long as the dimensions of the boat meet the minimum dimensions indicated on the request for proposals (Annex "A" - *Requirement*, Section 2.3 Mandatory Specifications, Sub-Section 2.3.1 – *Boat*).

**Q2:** With respect to Annex "A" - *Requirement*, Section 2.2 - *Delivery Against the Contract, Note on Offloading*:  
*The Contractor is responsible for arranging the offloading of the assets on site at Environment Canada warehouse facilities.*

Can we deliver the boat to Burlington using the trailer specified in Annex "A" - *Requirement*, Section 2.3 Mandatory Specifications, Sub-Section 2.3.3 - *Trailer*?

**A2:** Yes, you may deliver the boat using the trailer specified in Annex "A" - *Requirement*, Section 2.3 Mandatory Specifications, Sub-Section 2.3.3.

**Q3:** With respect to Annex "A" - *Requirement*, Section 2.3 Mandatory Specifications, Sub-Section 2.3.2 – *Motor*:  
Is a 2 strokes direct injection Evinrude motor acceptable for this solicitation? According to the manufacturer, the engine meets «EPA 2013 / CARB 3 STAR / EU » Emissions Compliance standards.

**A3:** Environment and Climate Change Canada is seeking outboard motors with equivalent emissions and fuel economy to Yamaha 4 stroke motors and will consider any motors that meet or exceed these standards.

**Q4:** With respect to Annex "A" - *Requirement*, Section 2.3 Mandatory Specifications, Sub-Section 2.3.3 – *Trailer*:  
Does the trailer must be a single axle? As per Canada's TP 1332 and our experience with building vessels just like this one, a single axle will not be sufficient. Any feedback would be great.

**A4:** A single axle has been requested for a number of reasons with one of the biggest issues being we cannot have brakes on the trailer.
