This solicitation amendment 001 is being raised to answer the following question:

Question 1:

Section SRE 3, 3.2.1, Mechanical Engineer & Electrical Engineer

“Member in good standing of the association of engineers for the province in which the project is taking place.” In the case of this project this would be Engineers & Geoscientists New Brunswick.

Our Engineers, that meet the requirements of the RFP as Energy Efficiency Specialists are based in Nova Scotia and are registered and in good standing with Engineers Nova Scotia. As Professional Engineers registered in Nova Scotia they are immediately eligible for Registration in New Brunswick.

Does this issue of professional registration immediately disqualify us from this Solicitation?

Answer 1:

They must be in good standing with their respective associations and licensed as well as be eligible to be licensed in the province in which the project is taking place. Proof must be provided.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.
