Solicitation Amendment No. 003

This solicitation is hereby amended to provide the following question and answer:

Question 14:

Notwithstanding our initial request for an extension to the closing date of this solicitation, it is evident to us that completing the 63 Grids and Resumes required by this proposal is a monumental task to undertake given the timeframe provided, coupled with the fact as we are working under assumptions due to our outstanding questions. We therefore would like to request a three (3) week extension to December 12th, in order to provide sufficient time to produce a quality proposal.

Answer 14:

VAC will be adding a one week extension, with the new closing date being November 27, 2018.

If your bid has already been forwarded and you wish to revise same, this revision should be sent in a sealed envelope and mailed to the above address and reach the undersigned before the appropriate closing date. The solicitation number and the closing date are to be shown on the outside of the sealed envelope.

All other terms and conditions of the solicitation document remain unchanged.

All enquiries concerning this amendment are to be forwarded to:
