Amendment No. 001

The purpose of this amendment is to address the following question and to modify the Basis of Selection and the Basis of Payment.

Q1

Are you able to provide two purchase orders, one for the microwave analyzer and one for the Vector Analysis Software (Product No. 896018 and options) listed as item numbers 2.11, 2.12 and 2.13 in Annex B? This software is typically sold directly by Keysight and the microwave analyzer is typically sold through one of our distribution partners.

A1

Yes, multiple contracts may be issued for either the analyzer or the software. A contract may also be issued to the same supplier for both items.
