### **Questions and Answers**

#	Question	Response
1	<p>As per RFP B8986-190040/A, the Unlimited Product Learning Subscription that you are asking for in the SOW does not include Unlimited Cloud Learning Subscription (which Includes all of Oracle's SaaS, PaaS and IaaS Cloud Learning Subscriptions), which is requirement 4.f.q..</p> <p>Is IRCC looking to acquire both Unlimited Product Learning Subscriptions and Unlimited Cloud Learning Subscriptions for 6 students?</p>	<p>This question has been addressed in the Solicitation Revisions number 3 below.</p>
2	<p>Annex A, Statement of Work, Requirement f) contains references to certifications. The Unlimited Product Learning subscription provides for certification preparation courses (where applicable); however, certifications require separate registration and vouchers, that would need to be purchased, but are not included in the UPLS or the Cloud UPLS.</p> <p>Would the Crown please confirm that only application certification preparation courses are a requirement, to ensure that we can satisfy the requirements as stated in the mandatories?</p>	<p>This question has been addressed in the Solicitation Revisions below. The Contractor must provide the option to purchase certification exam vouchers on an as and when requested basis.</p>
