301 Bishop Drive, Fredericton, NB, E3C 2M6

Please Note:

All bids' security are to be submitted in hard copy by the bid closing date and time to the mailing address indicated above whether the bid submission is sent via Location #1 or Location #2.

DELIVERABLES / SCOPE OF WORK

Project Description

The site of work is the Lions Head Marina in Lions Head, Ontario. Lions Head is located on the west shore of Georgian Bay approximately 50 km southeast of Tobermory.

The work consists of, but not limited to, the following:

1. Salvaging and reinstating existing displaced armour rock adjacent to the breakwater.

Fisheries and Oceans
Canada

2. Supply and installation of new core stone and armour stone to build up the existing rubble mound breakwater and rock protection around the government wharf.
3. Excavation and removal of existing infill material adjacent to existing breakwater.
4. Supply and installation of a new concrete base for navigational aid, including reinstatement of existing navigational aid on new concrete base.
5. Minor concrete repairs to the existing government wharf.

FAMILIARIZATION WITH SITE

Before submitting a bid, bidders can visit the site and its surroundings, at their own expense, to review and verify the form, nature, and extent of the work, materials needed for the completion of the work, the means of access to the site, severity, exposure and uncertainty of weather, soil conditions, any accommodations they may require, and in general shall obtain all necessary information as to risks, contingencies and other circumstances which may influence or affect their bid. No allowance shall be made subsequently in this connection on account of error or negligence to properly observe and determine the conditions that will apply.

Contractors, bidders, or those they invite to site are to review specification section on Health and Safety before visiting site. Take all appropriate safety measures for any visit to site, either before or after acceptance of bid.

EXPECTED START AND COMPLETION DATES

The services of the Contractor will be commencing upon contract award. The expected completion date of this project is **April 30, 2019**.

MANDATORY REQUIREMENTS:

- The minimum acceptable amount of Public Liability and Property Damage Insurance is **\$2,000,000.00** per occurrence. All tenders **must** be accompanied by confirmation from the tenderer's insurance company that the required insurance will be available upon contract award;

Question and Answer period: DFO will accept questions from Bidders **until Thursday November 22, 2018 at 2:00 pm Atlantic Standard Time (AST)**. These are to be sent **directly and only** to the Contracting Officer listed below.

Enquiries regarding this Invitation to Tender are **ONLY** to be submitted in writing by emailing to the following:
